This No Returns or Refunds Policy is subject to the terms and definitions contained in the TK DEGEN LLC Terms of Service and applies to all users of our token creation products, services, and memberships sold through TKDegen.com, Whop Inc., and any affiliated marketplaces or platforms.

1. No Returns

1.1. Due to the nature of our services — including digital goods, access to token creation tools, educational materials, and software subscriptions — **TK DEGEN LLC does not accept returns** for any product or service.

1.2. Once access is granted to any part of our platform or digital tools, including community access, token generation modules, or downloadable assets, **all sales are final**.

2. No Refunds

2.1. Unless explicitly stated in writing by TK DEGEN LLC, **no refunds** will be provided for any purchases, whether made directly through TKDegen.com or through our official Whop Inc. storefront.

2.2. TK DEGEN LLC is not responsible for enforcing or interpreting any refund promises made by third-party platforms or resellers.

3. Split Payment Plans

- 3.1. By choosing a **split payment plan**, you agree to complete **all scheduled payments in full**.
 - 3.2. Once the first payment is made, the payment plan **cannot be canceled or paused**, regardless of usage.
 - 3.3. Failure to complete all payments may result in restricted access to your membership, revoked access to digital tools, or **legal collection actions** to recover the outstanding balance.
-

4. Support for Technical Issues

- 4.1. If you experience technical issues accessing your purchase or account, please contact us at **tk.degens@gmail.com**.
 - 4.2. While we do not offer refunds, we are committed to resolving access or usability issues promptly.
-

5. Exceptions

- 5.1. **There are no exceptions** to this No Returns or Refunds Policy. All sales are final at the time of purchase.
 - 5.2. It is your responsibility to review product descriptions, offerings, and FAQs before making a purchase.
-

6. Legal and Financial Risk Disclaimer

- 6.1. **TK DEGEN LLC does not sell financial advice or offer any guarantees of results.** The tools and services provided are for educational and digital utility purposes only.
 - 6.2. Token creation, blockchain engagement, and cryptocurrency investments involve risk. **You are solely responsible for any tokens you launch, market behavior, or losses incurred.**
 - 6.3. We do not guarantee performance, listing success, financial outcomes, or third-party approvals (e.g., CoinGecko, CMC).
 - 6.4. All purchases are made voluntarily, with full acknowledgment of the **risk inherent in crypto and token creation**.
