

## Disclaimer

Valhalla Trading, provided by a publisher, does not offer personalized investment advice. The information provided is not a recommendation for any specific investment, security, or strategy, and the creators or providers of the service will not provide individualized advice. Any information provided, if any, should be considered impersonal and not tailored to the investment needs of any particular person. It is not appropriate to contact the creators or providers of the service seeking personalized investment advice.

At Valhalla Trading, we strive to provide an inclusive and enjoyable experience for all our customers. However, we reserve the right to refuse service to any individual for any reason, at our sole discretion. This policy ensures that we maintain a safe and positive environment for everyone involved. We apologize for any inconvenience this may cause and thank you for understanding our commitment to quality and community well-being.

The views and opinions expressed in Valhalla Trading services are those of the authors and may vary from other opinions found in other parts of the service. Trading in securities carries a risk and can be volatile. Past performance is not indicative of future results.

You acknowledge that the performance data provided is from sources believed to be reliable, but it is not guaranteed to be accurate or complete by these sources, information providers or any other person or entity. Valhalla Trading is not responsible for and does not endorse any third-party content and will not be liable for any third-party content.

It is important to seek advice from a qualified broker or financial professional before making any investment decisions such as buying or selling any securities.

It's important to note that the information provided in our products should not be solely relied upon when making investment decisions. It's crucial to conduct your own research, due diligence, and seek advice from a qualified professional before making any investments. The information provided in our products is not intended to constitute a recommendation or determination that any specific security or trading strategy is suitable for any individual. Investing in the stocks chosen in any of our products is risky and speculative and could result in significant losses.

Valhalla Trading is an education service which provides subscribers with trade ideas and market-related information. However, it is important to note that the information provided is for informational purposes only and should not be considered as investment advice. The research, opinions, and information provided by our service have been

obtained from sources believed to be reliable, but we cannot guarantee its accuracy or completeness.

Subscribers are encouraged to conduct their own research, due diligence, and seek advice from a qualified professional before making any investment decisions. The information provided by our service does not constitute a recommendation or determination that any security or trading strategy is suitable for any specific person.

By using our service, subscribers acknowledge that they have read and understood this disclosure statement and agree to its terms.
