

Return Policy

Effective Date: May 30 2025

1. **All Sales Final.** Because access to digital content is delivered immediately, **BBA does not offer refunds, cancellations, or pro-rated credits** for any subscription plan.
2. **Duplicate Charges.** If you are accidentally billed twice for the same period, email **blockchainbureauacademy@gmail.com** within 14 days for a full reversal of the duplicate amount.
3. **Chargebacks.** Filing a payment dispute without first contacting us may result in immediate termination of community access and a ban from future membership.
4. **Platform of Record.** All billing is handled by **Whop**. Any refund exceptions that Whop's own policies require will supersede this Return Policy.
5. **Changes.** We reserve the right to amend this Return Policy at any time; updates apply to future transactions only.
