

Premium Game EULA (End User License Agreement)

Effective Date: May 1, 2025

Welcome to Premium Game. By purchasing access and participating in this Discord-based service, you agree to the following license terms:

1. Community Purpose

Premium Game is a private community focused on trading education, investing discipline, and shared learning. This is **not a signal group**, and no investment advice is being provided.

2. Membership Requirements

To join, users must: - Be at least 18 years old - Agree to our Refund and Privacy Policies - Use their real email and a valid Discord account

3. Behavior & Code of Conduct

You agree to: - Be respectful to other members and moderators - Not promote outside communities, services, or products without permission - Not impersonate a mentor or administrator - Avoid misleading or unauthorized trade advice

Violation of this agreement may result in **suspension or removal** from the server without refund.

4. License of Use

By subscribing, you are granted a **limited, non-transferable, revocable license** to access Premium Game's digital resources, which include: - Live trading sessions - Backtesting archives - Community discussions and mentorship content - Educational material posted within the server

You may **not**: - Share, resell, or redistribute Premium Game content outside of the server - Record, screenshot, or distribute live trades without permission - Use any material for commercial purposes without written consent

5. Intellectual Property

All original content shared by Autumn Spikes and verified contributors remains the intellectual property of Premium Game. Unauthorized use or distribution will be met with removal and legal consequences.

6. Risk Disclosure

Trading and investing involve risk. Premium Game provides educational content only. You are solely responsible for any financial decisions or losses.

7. No Refunds

Due to the immediate access to digital content and community upon purchase, **all sales are final**.
