

# Return & Refund Policy

Thank you for subscribing to **Whop For All by Flobat**. Please read this policy carefully before making any purchase.

---

## 1. All Sales Are Final

Due to the **digital and non-tangible nature** of the products and services provided, **all sales are final** and **non-refundable**, except where required by law.

Once your subscription is active or a digital product has been accessed, we are unable to process any refund or return request.

---

## 2. Free Trial Available

To help you evaluate the value of our group before committing to a paid subscription, we offer a **1-day free trial**.

You are free to cancel during the trial period if you decide not to continue. If you do not cancel before the end of the trial, your subscription will be billed automatically.

---

## 3. No Partial Refunds

We do not offer partial refunds for unused time, early cancellations, or for any upsell purchases made within the group after access is granted.

---

## 4. Exceptions

Refunds will only be considered under the following circumstances:

- A technical error on our end that prevented access despite successful payment
- Duplicate charges made in error

In such cases, please contact us via your Whop account within **3 days** of the issue.

---

## 5. Contact

If you believe your situation qualifies for a refund under the exceptions listed above, please contact **Flobat** directly via the **Whop platform**, and include your transaction ID and a detailed explanation of the issue.
