You agree that you shall not, under any circumstances:

- Copy, modify, adapt, translate, or create derivative works of the Software;
- Reverse engineer, decompile, disassemble, or otherwise attempt to derive the Software’s source code;

 - Connect the Software to any unapproved third-party tools, bots, or trade copiers;
 - Use the Software for any unlawful, harmful, or unauthorized purpose.

3. Ownership and Intellectual Property

3.1 The Software, including all code, logic, designs, user interfaces, backend systems, and documentation, is and shall remain the exclusive property of 1P Algorithms Inc. All rights not expressly granted herein are reserved.

3.2 This EULA does not transfer any title, intellectual property, or proprietary rights to you. You are granted only a limited license to use the Software under the terms of this Agreement.

3.3 All updates, bug fixes, improvements, or enhancements provided to you are governed by this EULA and remain the Company's sole property.

4. Updates and Modifications

4.1 The Company may issue periodic updates, performance improvements, or patches to the Software. Such updates may be automatically applied without notice and are subject to the same licensing terms.

4.2 The Company reserves the right to modify or discontinue certain features, modules, or components of the Software at its sole discretion.

5. Termination

5.1 This license is effective until terminated. It will automatically terminate upon the expiration of your subscription, cancellation of your access, or breach of this Agreement.

5.2 Upon termination, you must immediately stop using the Software, delete all related files from your systems, and return or destroy any materials provided to you.

5.3 The Company reserves the right to disable access to the Software remotely if a breach is detected or if access is no longer authorized.

6. No Warranties

6.1 The Software is provided “as is” and “as available” without warranty of any kind. The Company expressly disclaims all warranties, whether express, implied, or statutory, including but not limited to warranties of:

- Loss of data, profits, or business opportunities;
- Brokerage execution errors, margin issues, or system outages;
- Third-party service failures or technical issues beyond our control.

7.2 In no event shall the Company’s aggregate liability under this EULA exceed the total fees paid by you for the Software during the twelve (12) months preceding the event giving rise to the claim.

8. Confidentiality

8.1 You agree not to share, copy, distribute, or disclose any proprietary elements of the Software, strategy logic, dashboards, or account materials to any third party.

8.2 Screenshots, trade logs, or recorded demonstrations of the Software may not be published or redistributed without prior written consent from the Company.

9. Compliance and Jurisdiction

9.1 You are solely responsible for complying with applicable laws and regulations in your jurisdiction regarding the use of automation tools and algorithmic investing technologies.

9.2 This Agreement shall be governed by and interpreted in accordance with the laws of the State of Delaware, without regard to its conflict of laws principles. Any disputes shall be handled per the arbitration clause in the User Agreement.

10. Survival

Sections related to ownership, confidentiality, disclaimers, limitations of liability, and governing law shall survive the termination of this EULA.
