

End User License Agreement (EULA)

This EULA is a legal agreement between you (the purchaser) and Ademar 3.

By accessing the product, you agree to the following:

- You are granted a limited, non-exclusive, non-transferable license to access and use the content for personal, non-commercial purposes.
- You may not copy, distribute, resell, or publicly share the contents without written permission.
- You agree not to use the product to engage in illegal or fraudulent activity.
- All content is protected by copyright and intellectual property law.

Violation of this license may result in revocation of access and legal action.
