

## Game Day Buddy – Return & Refund Policy

Last Updated: August 25, 2025

Game Day Buddy provides digital products and services, including AI-powered projections, insights, and community access. Because our content is delivered instantly, all sales are final.

---

### 1. No Refunds

- We do not offer refunds for subscription payments once they have been processed.
- This applies to all plans, including Founding Member pricing.

---

### 2. Subscription Management

- You may cancel your subscription at any time directly through Whop.
- Once canceled, you will continue to have access until the end of your current billing cycle.
- After cancellation, your Founding Member pricing will no longer be available. If you return later, you will be charged the then-current rate (currently \$69.99/month).

---

### 3. Exceptional Circumstances

Refunds may only be granted if required by applicable law or in cases of billing errors (e.g., duplicate charges). If you believe an error occurred, please contact us within 7 days of the charge.
