

AI MAFIA – RETURN & REFUND POLICY

Effective Date: 2025-10-25

At **AI Mafia**, we deliver premium digital education, automation systems, and mentorship programs. Because our content, tools, and materials are instantly accessible upon purchase, all sales are **final** and **non-refundable** except under the specific conditions outlined below.

1. NO REFUNDS FOR DIGITAL PRODUCTS OR SERVICES

All **courses, mentorships, consulting sessions, digital downloads, and services** provided by AI Mafia are **non-refundable** once purchased or accessed.

By completing your payment, you acknowledge that you immediately gain access to proprietary intellectual property and training materials that cannot be “returned.”

2. PERFORMANCE-BASED REFUND GUARANTEE (60 DAYS)

We stand behind our systems and strategies. If you complete the full program, take consistent action, and still do **not earn a single dollar** after 60 days, you may qualify for a refund under the following conditions:

To be eligible, you must:

1. Have completed **100% of the training** and all assigned missions.
2. Have attended or watched all **group calls** and mentorship sessions.
3. Have submitted all **progress reports and deliverables** on time.
4. Provide **proof of execution** (funnels, AI influencer setup, outreach, or marketing logs).
5. Submit your request within **60 days of program start** by Messaging us with the subject line “Refund Request – Proof of Action.”

If verified, your refund will be issued within **10–14 business days**.

Refunds will **not** be granted for:

- Change of mind or financial hardship
- Incomplete participation or skipped assignments
- Failure to act on the training provided
- Partial access or non-attendance

3. SUBSCRIPTIONS & PAYMENT PLANS

For monthly or recurring plans:

- You may **cancel future payments** anytime by Messaging us
- However, **past payments are non-refundable** once processed.
- Lifetime or one-time purchases are **non-cancellable** after delivery.

4. FRAUD & CHARGEBACK POLICY

All accounts, course progress, and communications are tracked for proof of delivery.

Chargebacks without legitimate cause are treated as **fraudulent activity** and may result in:

- Permanent ban from AI Mafia
- Legal recovery of funds and fees
