Welcome to Euphoric Trading ("we," "our," or "us"). By accessing or purchasing any product, service, or subscription through our Whop.com store, you agree to the following Terms of Service.

1. **General Use** All information, signals, strategies, and materials provided by Euphoric Trading are for educational purposes only. We do not guarantee financial results, and all users are solely responsible for their own trading decisions.
2. **No Financial Advice** Euphoric Trading is not a financial advisor. The content shared in our communities, courses, or signals should not be considered investment advice. Always trade responsibly and consult with a licensed professional before making financial decisions.
3. **Memberships and Access** Purchases through Whop.com grant access to private resources, Discord/Telegram channels, and educational materials for the chosen duration. Access will be automatically revoked if subscriptions expire or are cancelled.
4. **Refund Policy** All sales are final. Due to the digital and educational nature of our content, we do not offer refunds under any circumstances. This includes early cancellations, missed renewals, or dissatisfaction with performance.
5. **Conduct and Compliance** Members must maintain respectful conduct in all Euphoric Trading communities. Any form of spamming, harassment, or disruptive behavior will result in a permanent ban without refund.
6. **Intellectual Property** All materials, strategies, PDFs, and course content are protected under copyright law. Redistribution, resale, or public sharing without written permission is strictly prohibited.
7. **Limitation of Liability** Euphoric Trading is not responsible for any losses or damages resulting from your trading activity or use of our services. Participation in trading carries inherent risk — only trade with money you can afford to lose.
8. **Changes to Terms** We reserve the right to update these Terms of Service at any time. Continued use of our services after changes are made constitutes acceptance of the new terms.
