The purpose of the Committee is to carry out the powers and authority of the Board in the management of the business and affairs of the Company relating to the review and determination of executive compensation as set forth below.

Duties and Responsibilities

The Committee shall have the following powers, authority and responsibilities:

(1) To review and approve annually the corporate goals and objectives applicable to the compensation of the chief executive officer (“**CEO**”), evaluate at least annually the CEO’s performance in light of those goals and objectives, and determine and approve the CEO’s compensation level based on this evaluation. The CEO cannot be present during any voting or deliberations by the Committee on his or her compensation.

(2) To approve or make recommendations to the Board regarding the compensation of all other executive officers.

(3) To review, and approve and, when appropriate, recommend to the Board for approval, incentive compensation plans and equity-based plans, and where appropriate or required, recommend for approval by the stockholders of the Company, which includes the ability to adopt, amend and terminate such plans. The Committee shall also have the authority to administer the Company’s incentive compensation plans and equity-based plans, including designation of the employees to whom the awards are to be granted, the amount of the award or

equity to be granted and the terms and conditions applicable to each award or grant, subject to the provisions of each plan.

(4) To review, and approve and, when appropriate, recommend to the Board for approval, any employment agreements and any severance arrangements or plans, including any benefits to be provided in connection with a change in control, for the CEO and other executive officers, which includes the ability to adopt, amend and terminate such agreements, arrangements or plans.

(5) To review director compensation for service on the Board and Board committees at least once a year and to recommend any changes to the Board.

Outside Advisors

The Committee shall have the authority to, and shall be required to, select, retain and obtain the advice of a third party compensation consultant to assist in its review of director compensation for service of the Board and Board committees. The Committee shall also have the authority, in its sole discretion, to select, retain and obtain the advice of such other compensation consultant(s) as necessary to assist with the execution of its duties and responsibilities as set forth in this Charter. The Committee shall set the compensation, and oversee the work, of the compensation consultant. The Committee shall have the authority, in its sole discretion, to retain and obtain the advice and assistance of outside legal counsel and such other advisors as it deems necessary to fulfill its duties and responsibilities under this Charter. The Committee shall set the compensation, and oversee the work, of its outside legal counsel and other advisors. The Committee shall receive appropriate funding from the Company, as determined by the Committee in its capacity as a committee of the Board, for the payment of compensation to its compensation consultants, outside legal counsel and any other advisors. However, the Committee shall not be required to implement or act consistently with the advice or recommendations of its compensation consultant, legal counsel or other advisor to the compensation committee, and the authority granted in this Charter shall not affect the ability or obligation of the Committee to exercise its own judgment in fulfillment of its duties and responsibilities under this Charter.

In retaining or seeking advice from compensation consultants, outside counsel and other advisors (other than the Company's in-house counsel), the Committee must take into consideration the factors specified in the listing rules of The Nasdaq Stock Market. The Committee is not required to assess the independence of any compensation consultant or other advisor that acts in a role limited to consulting on any broad-based plan that does not discriminate in scope, terms or operation in favor of executive officers or directors and that is generally available to all salaried employees or providing information that is not customized for a particular company or that is customized based on parameters that are not developed by the consultant or advisor, and about which the consultant or advisor does not provide advice.

The Committee shall evaluate whether any compensation consultant retained or to be retained by it has any conflict of interest in accordance with Item 407(e)(3)(iv) of Regulation S-K.

Structure And Operations

The Board shall designate a member of the Committee as the chairperson. The Committee shall report regularly to the Board regarding its actions and make recommendations to the Board as appropriate. The Committee is governed by the same rules regarding meetings (including meetings in person or by telephone or other similar communications equipment), action without meetings, notice, waiver of notice, and quorum and voting requirements as are applicable to the Board.

The Committee may invite such members of management to its meetings as it deems appropriate. However, the Committee shall meet regularly without such members present, and in all cases the CEO and any other such officers shall not be present at meetings at which their compensation or performance is discussed or determined.

The Committee shall review this Charter at least annually and recommend any proposed changes to the Board for approval.
