WHAT TO WEAR:

FOR DAYTIME

Blackberry Farm is a place to explore, relax and enjoy the Great Smoky Mountains, so you will want to bring stylish adventure and resort wear for day time activities. We encourage you to be ready for your day's activities and want you to be comfortable with your attire in the environment of our restaurants during breakfast and lunch.

FOR DINNER

Dinner at The Barn is an elevated experience where guests look forward to dressing up. Kindly note that suits, dress pants, skirts, dresses, well-kept dark denim and collared shirts are great options. Ties are optional, while jackets are recommended. Positioned in the Main House and overlooking the Main House lawn, the Dogwood offers an approachably elegant experience where guests typically wear collared shirts, dress pants and dresses, but leave the jackets for other experiences. T-shirts, sporting attire and casual wear are discouraged.
