

BEVERAGE MENU

The following menu represents a variety of beverages from around the world.

Our list begins with cocktails. Although our bartenders can mix and shake whatever you may like, here we feature our twists on the classics, as well as signature drinks that are inspired by what is growing and blooming in the fields and gardens on our property.

The Dogwood wine list is a distilled selection of the Blackberry Farm wine program, derived from our nearly 160,000 bottles and 10,000 different selections. Although our program offers a vast collection of stellar wines from around the world, in this list we have handpicked a few hundred of our favorites, focusing our attention on small American producers, older vintages that are drinking beautifully, and grapes native to the Rhône Valley. We arranged these offerings by varietal, so you might easily find what you desire, or so that you can try your favorite wines in a new region.

Following wine, you will find a whiskey list compiled of pioneers of the whiskey movement in this country. You will also find a full list of the spirits we offer in our Dogwood bar. Neat, on the rocks or mixed into a cocktail by our bartenders, each can be used to highlight the beginning or perfectly end an evening here on the farm.

As with all of your Blackberry Farm experiences, the items we offer have stories to be told. It will be our pleasure to share with you the history, anecdotes and legends of these special beverages.

We realize that you may desire to enjoy a bottle from your own cellar.

Our corkage policy is fifty dollars per bottle.

We ask that each party limit outside bottles to two per evening.

- LAIL · SAUVIGNON BLANC · GEORGIA · 2019 Glass
75
Viewed as one of the top cuvées of Sauvignon Blanc in Napa Valley, Lail's 'Georgia' bottling comes from their 3-acre plot in Yountville known as "Totem". Robin Lail is a 4th generation vintner from one of the Valley's most revered families, and this 100-point bottling produced with Philippe Melka is a beautiful expression of the great potential of Napa Sauvignon Blanc.
- GAJA · ROSSJ-BASS · LANGHE · 2017 60
Angelo Gaja, one of the most admired producers in the world of wine presents his Rossj-Bass as his calling card white for his blue-chip estate. A 'Super-Piedmontese' blend that combines mostly Chardonnay with Sauvignon Blanc, this bottling exemplifies Gaja's proclivity for upending conventional wisdom in Piedmont.
- ETIENNE SAUZET · PULIGNY-MONTRACHET · 2023 60
Representing one of the most prestigious estates in Puligny-Montrachet, the Sauzet family has been tending to the grapes in this famed village since the early 20th century. Entirely biodynamic, the grapes are picked by hand, sorted meticulously and see a combination of old oak and stainless steel yielding a wine that is classic in style with minerality, elegance and lively fruit.
- ALBAN VINEYARDS · ESTATE VIOGNIER · EDNA VALLEY · 2021 35
As an American pioneer of Rhone varietals, John Alban produces a very special Estate bottling that each year is a prized addition to our collection. His mastery over the grape is well-explained via the beautiful floral and apricot notes in one of his most tightly allocated wines.
- DOMAINE J.L. CHAVE · HERMITAGE BLANC · 2018 90
Crafted from old vine Marsanne harvested from the granite slopes of Hermitage, Chave's signature white bottling is a fuller-bodied and famous for its complexity and richness. Known for its compelling stone fruit character and potential to age, wine critics consistently rate Chave's Hermitage blanc as a top white of the Rhone Valley.
- THE GLORIES · NO. 5 · CALIFORNIA & OREGON · 2020 105
Esteemed winemaker, Maggie Harrison, produces rare bottlings from both the Willamette Valley and Santa Barbara under three labels—Antica Terra, Lillian and The Glories. With all three, Maggie seeks to make wines of beauty above all else. The resulting No. 5 bottling of The Glories is a unique blend of 55% Roussanne from California and 45% Oregon Chardonnay.

- GERARD RAPHET · GEVREY-CHAMBERTIN GRAND CRU · 2017 ^{Glass} 105
The modest and shy Gerard comes from four generations of winemaking prowess whose techniques have been passed down from generation to generation without the aid of enology school. The Charmes-Chambertin Grand Cru is considered one of the finest climats of the famous Le Chambertin and produces some of the most sought-after wines in the world.
- PISONI · PINOT NOIR · SANTA LUCIA HIGHLANDS · 2021 60
Despite raised eyebrows, in 1982 an enthusiastic Gary Pisoni began planting Pinot Noir on the craggy hillsides of Monterey County, CA. Today, these vineyards grow some of the most prized Pinot Noir in the state as seen through the various vintners who pay top dollar for this impeccable fruit.
- YANGARRA · HIGH SANDS · GRENACHE · MCLAREN VALE · 2017 55
Widely regarded as one of the world's finest expressions of Grenache, High Sands comes from a vineyard planted shortly after World War II. Perched on a hill top in South Australia, the site is defined by its deep, beach-like sandy soils that extend over a meter down. This rare combination of old vines and singular terroir yields a wine that stands on its own, defying comparison.
- E. GUIGAL · CHATEAU D'AMPUIS · COTE-ROTIE · 2001 80
Originally a 12th century fortress, the actual Château d'Ampuis sits favorably flanked by the Rhône on one side and the ancient vineyards of Côte-Rôtie on the other. From seven of the most exceptional plots of the domain comes this particular Syrah bottling which has rested in our cellars since its release from the winery.
- FONTODI · FLACCINELLO DELLA PIEVE · TOSCANA IGT · 2016 190
In 1981, Giovanni Manetti set out to revolutionize the world of Chianti Classico by producing a 100% Sangiovese wine from the finest vineyards in the renowned "Conco d'Oro." Choosing to forgo the Chianti Classico DOCG, he created a new expression of the region. Since then, this Super Tuscan has become one of the rarest and most sought-after Sangiovese wine in the world.
- DIAMOND CREEK · VOLCANIC HILL · NAPA VALLEY · 2005 115
Al Brounstein chose the name 'Diamond Creek' for his winery in 1968 as an homage to the quartz crystals that shone brightly in the vineyard's soil. This legendary Napa winery continues to produce single vineyard bottlings, Volcanic Hill being the warmest of the sites and heralded for its age-ability
