*Life Amplified*

## Music is not what we do, it's who we are.

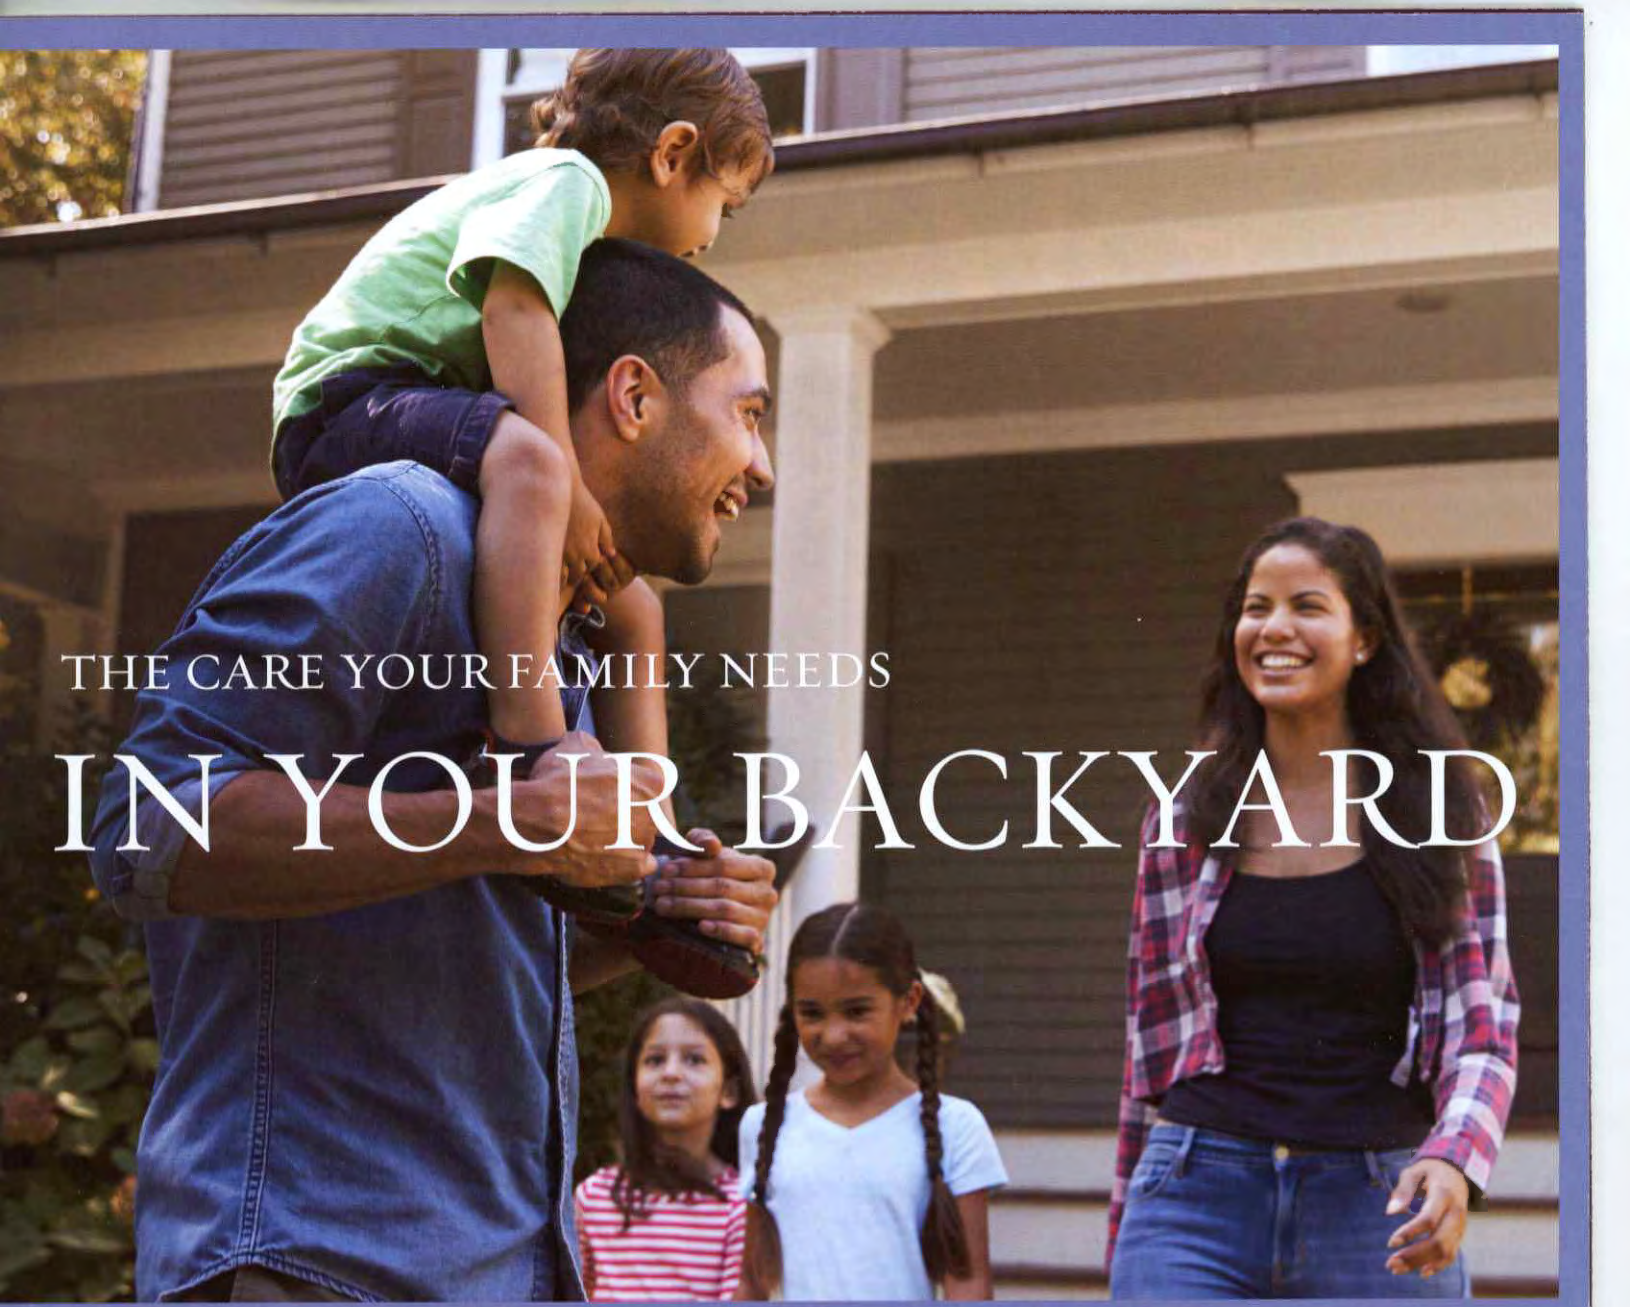

The Village is excited to be at the beginning stages of its new music brand, but we can't do it alone. A brand must be earned, not just through the creation of the infrastructure needed to support it but via the experiences residents and visitors alike have when they're in Tinley Park.

That's why the Village is working with schools, community groups and businesses to foster a permeating sense of music throughout town that will be felt by all who come here. You can help this effort by supporting the brand and spreading the word!

**After all, the music brand doesn't belong to the Village . . . it belongs to all of us.**

Together we can put Tinley Park on the map as one of the best places in Illinois to experience the joy of music!

## MAYOR'S MESSAGE

Each and every Tinley Park Chamber of Commerce member is part of an organization that is staunchly dedicated to making our village the best that it can be. As your mayor, I'm committed to working together to ensure Tinley Park's nearly 60,000 residents continue to live in a town with a dynamic business climate, fantastic residential neighborhoods and entertainment opportunities that are second to none.

In the coming months and years we can look forward to continued redevelopment of Downtown Tinley, as well as creating a master plan and developing the 280-acres of land at the former Tinley Park Mental Health Center location. We'll also continue to have road improvement and extension projects to better serve our business and residential communities, as well as award-winning public services.

We're also in the beginning stages of building Tinley Park's new music brand, which is an exciting new initiative in the Village. Part of this branding process will include the construction of a new plaza in Downtown Tinley that will feature activities 250 days a year, including winter, which will complement the great special events we already have in town.

These tasks are not ones the Village can achieve by itself. Our success is dependent on building partnerships with other government agencies, key development allies, the faith community and executives like you in the business, real estate and development community. Tinley Park and the entire region benefits when we work together.

Thank you for being a member of the Tinley Park Chamber of Commerce and our partner in these and other endeavors. Also, make sure you remember to tell everyone to shop Tinley!

Sincerely,

Jacob C. Vandenberg  
Mayor, Village of Tinley Park

The Village of Tinley Park is a flourishing and vibrant community where residents enjoy its convenient location, excellent schools, thousands of acres of beautiful forest preserves and a strong local economy. The area is home to a wide range of businesses that includes a blend of retail, office, industry and entertainment establishments.

New residential developments offer a wealth of living choices, and cultural opportunities abound. ## ARTS AND ENTERTAINMENT

Tinley Park is undertaking a complete rebranding effort that focuses on music, and for good reason - the Village is home to a multitude of entertainment venues, cultural programs, fine arts performances and exhibits that provide ample opportunity for enjoyment and enrichment through music and art. It's perhaps no surprise, then, that the Village has chosen to focus its brand on music and the joy it brings listeners every day.

Everywhere you look, music and art abound in Tinley Park. Nationally-renowned musical acts can be found at the Hollywood Casino Amphitheatre. Visit Downtown Tinley and you'll find the Park District's Vogt Visual Arts Center, which is the setting for many local art exhibits and cultural events and activities throughout the year.

In addition to the many establishments in downtown Tinley that boast intimate music venues, many events are held, including the Music in the Plaza concert series, weekly Tuesday evening Cruise Nights, the annual Caribbean Block Party, the weekly spring and summer Farmers' Markets, the three-day Holiday Market and much more.

The Tinley Park Public Library is a popular place among people of all ages. The library loans out books, audio books, videos and DVDs, music CDs, magazines and other materials. Patrons also have access to the collections of more than 85 other libraries. Popular meeting areas include the young adult program room and a fully stocked coffeehouse. Additionally, the library hosts book discussion groups, children's story times, cooking classes and many other gatherings.

Visit the Village website at [www.tinleypark.org](http://www.tinleypark.org) to view a calendar focusing on all things music in Tinley Park!

## SHOPPING AND DINING

Tinley Park is home to a wide array of shopping establishments. Whether you're looking for specialty stores or large retail chains, Tinley Park has it all.

Large, well-known stores line the area, while numerous local retailers thrive in Downtown Tinley and surrounding business districts. Major grocery stores, national chain stores, shopping malls, an abundance of specialty shops and more offer virtually unlimited choices to consumers. Furthermore, plenty of dining options appeal to a wide variety of tastes with literally something for every palate.

A host of diverse shopping centers can be found in Tinley Park. Large retail outlets such as Super Target, Kohl's, Dick's Sporting Goods and Best Buy anchor Brookside Marketplace, while the strip malls of Park Place, Tinley Park Plaza and Downtown Tinley offer everything from groceries to clothing and accessories.

Nearby Orland Park is home to the upscale Orland Square Mall, which is the largest mall in the south suburbs. Some of the popular stores include Macy's, J. Crew, JCPenney, Williams-Sonoma and much more.

Dining options in the Village are practically virtually limitless. Choices range from casual restaurants, carry out and delivery establishments and fast food chains to sports bars, taverns and banquet halls. # HISTORICAL SOCIETY

The Tinley Park Historical Society Landmark Chapel and Museums is nestled within Downtown Tinley. Built in 1884, the quaint chapel glows in the beautiful stained glass throughout, a pressed tin ceiling, and an organ to fill the air with music. The Landmark's subtle wooden pews seat 120 people with a wrapped balcony for 60 more. It is the perfect venue for many social events, including weddings, memorial services and civic events. The downstairs hall at the Landmark may be rented for wedding receptions, showers, graduations, birthday parties, and other events. Its bright atmosphere is fantastic for small gatherings. The hall can hold 60 people, and with an attached kitchen it is convenient for full-catered party or a simple pot of coffee.

The Tinley Park Historical Society maintains two museums. Located at the rear of the chapel, this museum exhibits larger relics from the history of Tinley Park. Visitors browsing the museum will find exhibits detailing the early beginnings of the fire department, local school district, railroad, and windmill. The domestic's room showcases a number of early bridal gowns, accessories, and clothing; a Native American display showcases relics found here in Tinley Park and the Sister Cities display features items from our far-away Sister City, Budingen, Germany.

Located adjacent to the chapel is the Schoolhouse Museum. A replica of one of the earliest one-room schoolhouses in the area, this building houses our reference library, and display cases exhibiting relics and memorabilia of home and farm life, military and civic displays, early church, school, business, and

civic organizations. Antique toys evoke childhood memories from earlier times.

For more information on the Landmark Chapel, call (708) 429-4210. There is always someone to speak to or visit with at the chapel on Wednesdays from 10am until 2pm, the first Sunday of the month from 1:00pm until 3:00, and the second Thursday of the month from 6:00pm until 8:00.
