The Human Resources Commission was chartered in 1973 to bring increased awareness of the many offerings of this community to the citizens of Tinley Park. This booklet, prepared under the direction of Chris Bartoli and Reta Brudd, is an important part of the DISCOVER TINLEY concept. It is provided to our citizens as a convenient reference of agencies, organizations and information sources.

Many times you will hear "rumors" traveling about the Village. Don't hesitate to call me or one of the Trustees. A short three or four minute telephone conversation will go a long way toward alleviating some of your potential concerns.

I am sure that you will find this booklet helpful in learning more about the area in which we live. I invite each of you to not only DISCOVER TINLEY and SHOP TINLEY, but also to become involved - there are many organizations needing volunteers of all ages. The spirit of volunteerism in Tinley Park continues to make our community strong.

Sincerely yours,

Edward J. Zabrocki
Mayor

HEALTH SERVICES

Orland Township Health Services(708) 403-4222

Orland Township Health Services provide low cost, high quality medical exams to *all Tinley Park residents*. Forty area doctors participate in this program, which is designed to encourage residents to maintain their good health by seeing a doctor on a regular basis for preventive health care.

To utilize this service, the resident visits the township office at 15100 S. 94th Avenue, Orland Park, to pay for the exam and select a doctor from a list of those who participate. Appointments are scheduled by the resident with the doctor's office. Physical, dental, vision, hearing and podiatry exams and screenings are available at reduced rates. Free blood pressure screening clinics are scheduled monthly and numerous free children's immunization clinics are scheduled throughout the year.
