Looking for the right Doctor?

The answer is as close as a phone call away.

Whether you need emergency medical care or treatment of a nasty cold, the last thing you want to worry about is where to find a good doctor.

That's why we have developed The Physician Referral Network, a comprehensive referral service and listing of physicians close to your home. A variety of medical specialties are practiced by these doctors who are also on staff at Olympia Fields Osteopathic Medical Center.

The Physician Referral Network and its referral service will answer any questions you may have regarding a physician's medical discipline and office location. We can help you find a doctor that suits your particular needs; from

emergency medical treatment to school physicals.

This free service is provided by the Olympia Fields Osteopathic Medical Center.

The Village of Tinley Park is governed by a Village President (Mayor) and six Trustees. Together they comprise the Board of Trustees which determines policies, enacts ordinances and sets the policies for village services and procedures.

An appointed Village Manager carries out policies, prepares budgets and hires and directs paid personnel.

A Village Clerk records minutes of Village Board meetings, supervises local elections, and processes official records.

The President, Clerk and Trustees are all elected at large to four-year terms. The Village Board meets on the first, second and fourth Tuesdays of each month at 8:00 p.m. at the Village Hall. The next municipal election is April 7, 1987.

Tinley Park Ordinances & Licenses

Voter Registration

New residents (18 years and older) may register to vote at the Village Hall after 30 days. Proof of residency is required. For election information or absentee ballots, please call the Village Clerk, 532-7700.

Vehicle Licenses Required

All motor vehicles registered in Tinley Park must display a current municipal sticker. The stickers are available at the Village Hall. They go on sale December 1st, and must be displayed by February 28th of each year. New residents or residents buying a new vehicle have 30 days to purchase the license.

Leadership in Orland Park is provided by the Village President and six Village Trustees. Each board member is elected to a four-year term. The Village Manager is hired by the Village Board. As chief administrator, he oversees the daily operations of the village. While doing this, the manager must adhere to the guidelines established by the Village Board through the policies it adopts. This type of government enables the residents to be served by both the leadership experience of elected officials, along with the administrative skills and experience of the Village Manager.

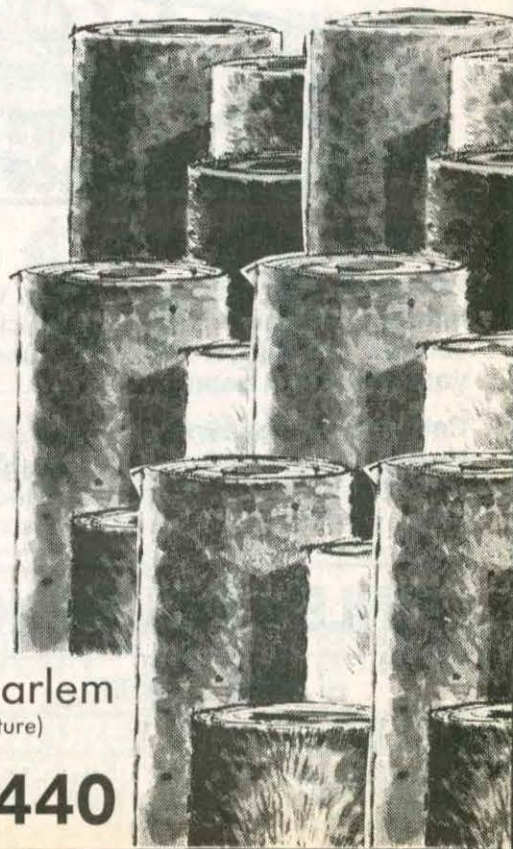

In Orland Park, the office of the Village Clerk is a four-year elected position. Present at all Village Board Meetings, the clerk is the official record keeper for the

The village administration is comprised of eight elected officials; a mayor, a clerk and six trustees. The mayor is also known as the Village President. The trustees are similar to aldermen or councilmen and are elected at large from within the village. Each trustee chairs a committee and sits on two others. The mayor is an ex-officio member of all committees. These committees are concerned with specific areas of village administration, such as Finances, Public Works, Permits and License, etc. The mayor oversees the workings of these bodies and coordinates their activities. The Village Clerk is responsible for the day-to-day business of the village such as preparation of minutes of meetings, sale of vehicle stickers, animal tags and voter registration.

Village Board Meetings are held on the second and fourth Wednesdays of each month at 8:00 p.m., in the Village Hall. All meetings are open to the public and your involvement is encouraged. If you wish to make a presentation, please contact the Village Clerk in advance.

An evening at the Royal Castle is a splendid theatrical and dining experience. An atmosphere of lusty medieval delight will send your senses reeling. Sir Robin Hood, Little John, the minstrel, and the array of singing wenches present an exciting musical revue. Songs and comedy, a trifle bawdy to be sure, is entertainment worthy of the noble hero. Seated at long tables, you will feast on an abundant and unlimited offering of food, beer and wine. The hours spent at the Southside's only Castle will end all too soon. Truly a spectacular musical and culinary experience, never to be forgotten.

Here's What They're Saying About the Royal Castle:

"If I'd known about the Royal Castle, I'd have invaded earlier!"

William the Conqueror

"There oughta be a law against this much fun!"

Sheriff of Nottingham

"If I'd have known about the Royal Castle, I'd never have left for the Crusades!"

There are ordinances that prohibit the accumulation of debris, abandoned property, building materials and grass or weeds exceeding eight inches high on public or private property.

Parental Responsibility

To reduce vandalism and other juvenile-related offenses, the village has enacted a curfew for young people 16 and under.

They are not to be in any public place within the village after 10:30 p.m., Sunday thru Thursday, and 11 p.m. on Friday and Saturday nights. Additionally the village has enacted a parent's responsibility ordinance which make a parent responsible for acts of vandalism, disorderly conduct and curfew violations, etc. committed by their children.

Oak Forest Ordinances & Licenses

Voter Registration

New residents 18 years of age or older may register to vote at the Municipal Center, during regular hours. Proof of residency is required. For election information or absentee ballots contact the City Clerk, 687-4050.

Vehicle License Required

All motor vehicles registered in Oak Forest must display a current vehicle sticker. The stickers are available at the Clerk's Office and must be displayed by July 1, of each year. New residents or residents buying a new vehicle have 30 days to buy the village license.

Dog Licenses Required

All dogs must be licensed by the village. The annual tags are available at the City Clerk's Office for \$5.00 each. Proof of rabies inoculation is required.

Bicycle Registration

Voluntary registration of bicycles can be done at the City Clerk's Office. There is no charge for this service.

Garage Sale Permits Required

Oak Forest residents are limited to three garage sales per year. Homeowners must apply for a permit at the City Clerk's Office. There is no charge for the permit.

Building Permits Required

Any new building, additions, fences, pools, garages, renovations of any kind (in excess of \$1.00) is regulated by City Ordinance and requires a permit. Contact the Building Department at 687-4050, for more information.

Parking Ordinance

All vehicles must be removed from the city streets for 12 hours following a snowfall in excess of two inches.

Smoke Detectors Required

The city requires the installation of smoke detectors in all businesses and private residences.

Branch Pick Up

The city will pick up debris from trees and shrubs twice a year - for a two-week period in the spring, and again for a two-week period in the fall. The refuse company which services the city does pick up tree trimmings and branches from pruning as a regular part of their contract with the city. However, the debris must be cut to four-foot lengths and tied.

The Village of Crestwood utilizes a village-trustee form of government. A Seven-member Board of Trustees consists of a Mayor (Village President) and six Trustees. Together they enact ordinances and set policies for village services and procedures. A Village Clerk is the secretary for Board meetings and is responsible for recording official records. The Mayor, Clerk and Trustees are all elected at-large to four-year terms.

The Village Board meets on the first and third Thursdays of each month at 8:00 p.m. at the Crestwood Civic Center, 14025 S. Kostner. The next municipal election is April 7, 1987.

Crestwood Ordinances & Licenses

Voter Registration

New residents can register to vote at the Village Hall after 30 days. Proof of residency is required. For absentee ballots or election information, contact the Village Clerk.

Vehicle Licenses Required

All motor vehicles registered in Crestwood must display an annual vehicle sticker. The stickers are available at the Village Hall and must be displayed by March 1st.

Police Emergency 911
Non-emergency 532-9111

The Tinley Park Police Department consists of 33 full-time officers, 27 reserve officers and 33 radio operators and support personnel.

Twenty-four hour protection is maintained throughout the village with 29 marked patrol cars.

The Tinley Park Police Department offers several programs promoting the prevention of crime.

Eight individual school programs are presented at local schools for kindergarten through eighth grade students. Stranger danger, alcohol and drug abuse and bicycle and pedestrian safety are just samples of topics presented by department representatives.

Child fingerprinting is available at area schools and the police department. The program is conducted through I-SEARCH (Illinois State Enforcement Agencies to Recover Children), a state-wide network of information.

Robbery prevention and anti-shoplifting presentations and lectures are available for business owners and their employees, call 532-9111.

Free home security surveys are available to Tinley Park's residential and business community upon request. A crime prevention officer will offer tips on locks, windows, landscaping and lighting.

Personal attack prevention lectures for women are available throughout the year, call for more details.

The Department's Crime Prevention Bureau provides a Speaker's Bureau for any organization or business interested in learning more about a crime-related subject, call 532-9111.

Fire or Ambulance Emergency 911
Fire Prevention Bureau 532-5656

The Tinley Park Fire Department has 65 volunteer fire fighters.

Emergency equipment includes five pumpers, a 65-foot snorkel, a 100-foot aerial ladder truck, and five specialized pieces of fire-fighting equipment.

The Fire Prevention Bureau is responsible for the annual inspection of all commercial and multi-unit apartment buildings within Tinley Park. The Bureau is also active in educating the community about fire safety.

During Fire Prevention Week (October 7-13, 1985), the Department hosts open house at both of its facilities. The Fire Prevention Bureau visits local schools, businesses and industries with demonstrations and discussions about fire safety.

Home Fire Safety Surveys are available free of charge to all Tinley Park residents. An inspector will look for potential fire hazards and offer advice on how to improve those elements—call 532-5656.

Members of the Fire Prevention Bureau will counsel children about playing with fire at the request of the parents.

Each fall, the Bureau offers a Babysitter's Class on how children should be handled in various types of emergencies. The sitter must pass a test on the course material to receive a certificate of completion.

Children, families and groups can adopt a fire hydrant in their area, to ensure quick access, in case a fire emergency occurs. Residents adopting a fire hydrant take responsibility for keeping it free of debris, weeds and trash during the warm weather and free of snow in the winter months. A record of adopted hydrants will be kept at the Department.

The Fire Prevention Bureau will offer a representative to speak to groups interested in fire or safety-related topics—call 532-5656.

The Orland Park Police Department staffs 42 full-time and seven part-time sworn police officers; eight crossing guards and 15 civilian personnel.

The Crime Prevention/Community Relations Bureau offers programs and services geared toward community awareness and fighting crime.

The bureau conducts child education at all Orland Park elementary schools. Stanger Danger and bicycle and pedestrian safety are just a few of the topics presented to younger children.

Parents can have their child's fingerprints taken through the "LIFE PRINTS" program, call 349-4111 for an appointment. The program is also conducted at the local schools. All prints are entered into I-SEARCH (Illinois State Enforcement Agencies To Recover Children) and also given to each parent.

A new remote-control robot is a popular way to communicate safety messages to the youngsters. The Community Relations Bureau will have a "Name The Robot" Contest during the 1985-86 school year.

An annual Bicycle Rodeo, held in conjunction with Orland Days (first week in June), gives children a chance to exhibit their knowledge of bicycle safety rules-of-the-road on a skill course set up by the department.

The Police Department will sponsor "Orland Safety Days," at Orland Square Mall, September 13, 14 and 15, 1985. The event will feature emergency vehicles and equipment and over 70 displays and exhibits on safety and preparedness.

Residents leaving on vacation can call or stop by the department to have their home periodically checked while they are away.

The Community Relations Bureau offers free talks on safety or police-related topics to any Orland Park organization or group of persons, call 349-4111.

Fire Prevention Bureau 349-1165

The Orland Fire Protection District serves the village of Orland Park, Westhaven and the unincorporated areas of Orland Township. If you are not certain of which fire protection district serves your home, please call 349-0074.

The district staff includes 21 full-time fire fighters and 40 paid-on-call personnel. The 61 member force includes 28 certified paramedics, 24 emergency rescue technicians (ERT's), 16 emergency medical technicians and four State of Illinois fire safety instructors.

Every fire occurrence in the district is investigated for cause and origin by a Fire and Arson Team (two policemen and two firemen) certified by the State of Illinois.

Emergency equipment includes: four pumpers, a 100-foot aerial ladder truck, two light-duty rescue squads, three advanced life-support ambulances, a hose truck and a tanker truck.

The Orland Fire District has a Fire Prevention Bureau that consists of a full-time supervisor and two inspectors. The bureau is responsible for inspecting the safety of all commercial buildings within the district.

A Fire Prevention Bureau representative can offer advice on home fire hazards and quick escape routes to district residents through the free, home fire safety survey.

Free blood pressure screenings are available at either fire station from 8:00 a.m. to 5:00 p.m., seven days a week.

The fire department is happy to offer a speaker for any fire prevention or emergency medical service related topic. Call 349-1165, for more information.

The Oak Forest Police Department is composed of 38 sworn police officers and 12 support personnel.

Thirty-three police units provide 24 hour protection to the entire city.

The police department offers several programs and services geared toward community awareness and fighting crime.

Child education and safety programs originate at the local schools. Officer Friendly discusses important topics such as Stranger Danger, bicycle and pedestrian safety and alcohol and drug abuse.

Cooperating with I-SEARCH (Illinois State Enforcement Agencies to Recover Children), the department conducts child fingerprinting for the statewide network of information and each child's parent.

A Police Explorer's Program is available for juveniles and teenagers interested in law enforcement, call 687-1376 for more information.

Oak Forest businesses can have the physical safety of their building checked through the department's Business Security Survey. An officer will check windows, locks, alarm system, etc. and offer advice on how to improve these elements.

Business Owners and their employees can participate in the department's Robbery Prevention Program, call for more details.

Operation Identification loans an engraving tool to mark valuables and to remove the profit motive from theft.

Oak Forest's Neighborhood Watch and Safe House programs are coordinated by the police department. If you're concerned about crime in your area or if you would like to be an immediate source of help for someone in distress, please call 687-1376.

Residents leaving home for five days or more should stop by the department to request a Vacation Home Watch. A police officer will check your home periodically for added security while you are away.

The police department's Speaker's Bureau will discuss and present crime or police-related topics upon request.

Oak Forest citizens interested in any of these programs should call 687-1376.

The Oak Forest Fire Department consists of 15 full-time firefighters and 40 paid-on-call personnel.

Emergency equipment includes five pumpers, a snorkel truck, a rescue truck, an all-purpose pickup truck, two advanced-life-support ambulances and a basic-life-support ambulance.

The Oak Forest Fire Prevention Bureau offers several programs and services that educate the public about fire safety.

The bureau participates in Oak Forest's Safety Tour; by teaching stop, drop and roll and other fire safety tips to younger children.

The bureau makes regular visits to area pre-schools, day-care centers and elementary schools with a Fire Prevention Puppet Show. Several of the schools participate in the bureau's poster coloring contest during Fire Prevention Week (October 7-13, 1985).

Children, families and/or groups can adopt a fire hydrant in their area to ensure quick access, in the event of an emergency. Persons adopting a hydrant take responsibility for keeping it clear of debris, weeds and trash during the warm weather and free of snow in the winter months.

Free Home Fire Safety Surveys are available to all Oak Forest residents. A department representative will check your home for fire hazards and offer tips on how to remedy the problems.

A vacationer's smoke detector kit is available to any resident leaving on vacation.

The Fire Prevention Bureau offers free classes on the use of fire extinguishers for any local business or civic organization.

The bureau also has spokespersons available to speak on any fire or safety-related subject, call 687-6050.

Free blood pressure screenings are available at either station from 9:00 a.m. to 8:00 p.m.

Crestwood Police Department

Village Hall
13840 S. Cicero
Crestwood, IL 60445

Police Chief:

Norman J. Griffin

Crime Prevention/Community Relations:

John McAuliffe

Patrol Operations Supervisor:

John Foster

Juvenile Officer:

Robert Cooling

Police Emergency 385-5131
Non-Emergency 371-4800

The Crestwood Police Department has 35 sworn police officers. Five marked patrol cars cover a four-square-mile radius, 24 hours a day.

The department offers several programs and activities geared toward the prevention of crime.

The juvenile officer makes regular visits to Crestwood schools with discussions and presentations on Stranger Danger, bicycle and pedestrian safety and alcohol and drug abuse.

Cooperating with I-SEARCH (Illinois Enforcement Agencies To Recover Children), the department originates "Operation Kid" (fingerprinting) for the state's network of information and each child's parent.

The community relations division sponsors annual Bicycle Rodeo for the safety of all bike owners. Each participant is tested on their knowledge of bike safety. Each bicycle is then inspected for defects or needed repairs.

A Police Cadet Program, coordinated through the Boy Scouts of America, is available for boys and girls, 15-20 years old, interested in a law enforcement career.

Crestwood's Block Parent Program enables its residents to be an immediate source of help for someone in distress. This well-organized program has over 250 block parents, a regular newsletter and regularly scheduled meetings.

Crestwood's Neighborhood Watch Program is originated by the Community Relations Bureau. The program should reach every resident in 1985 with a packet of information about reporting suspicious activities. Regular meetings are held with several senior citizen groups and homeowner associations.

Crestwood residents may have the physical safety of their dwelling checked free, through the Home Security Survey. A department representative will check windows, locks, landscaping and lighting and then offer suggestions on how to improve these elements.

The department offers free use of their engraving tool to mark all of your valuables. For more information on any of the Police Department services, please call 371-4800.

St. Francis Hospital

12935 S. Gregory
Blue Island, IL 60406
597-2000

Poison Hotline.....597-6070

St. Francis Hospital, Blue Island, a 410-bed non-profit Catholic institution, is celebrating its 80-year anniversary. The hospital is a member of the Sisters of St. Mary Health Care System, St. Louis, Missouri, and offers a comprehensive range of medical, surgical, pediatric, and obstetrical in-patient and out-patient programs.

The hospital staff of 204 physicians, 1,557 employees and 200 volunteers, serves southern Cook and eastern Will Counties.

Among St. Francis' many services, the open heart medical team performs 500 such procedures annually. The hospital serves as a major referral site for cardiac care and has complete cardiovascular diagnostic and treatment services. The hospital's angiographic equipment offers a procedure that does not require hospitalization, and poses less risk for the patient. St. Francis also offers a comprehensive, medically supervised cardiac rehabilitation program.

Two St. Francis Immediate Care Centers, located in Tinley Park (17148 S. Harlem - 429-1200) and Crestwood (13755 S. Cicero - 385-2400), treat minor injuries, illnesses, and provide checkups without an appointment. In addition, laboratory and X-ray services are available. These centers charge less than emergency rooms. They're open 8:00 a.m. to 10:00 p.m. daily, including holidays.

The hospital also offers on-going community health programs such as Safety With Strangers for children and Stress Management courses for adults. Professionals are also available, free of charge, to speak to groups about health-care issues through the Speaker's Bureau.

minor acute problems such as colds, flu and infections to chronic health conditions such as diabetes, etc. In addition to the full-time family practice physicians, the center features physicians who specialize in pediatrics, obstetrics and gynecology, otolaryngology (ear, nose and throat) and other areas. An Urgent Care Area in the center allows for the proper treatment of minor medical emergencies such as cuts, burns, sprains, and even insect bites. The health center includes nine examination rooms, laboratory, x-ray and EKG (electrocardiogram) facilities.

To help the public develop a healthy lifestyle or better handle a specific health condition, the Silver Cross Family Care Center in conjunction with Silver Cross Hospital, offers health education programs in the community room. Classes planned include cardiopulmonary resuscitation (CPR), childbirth/prenatal care, basic first aid, babysitting, and others. Special health fairs for seniors, young adults and children are planned periodically throughout the year.

For more information about the many services provided, from complete physical examinations to prenatal care, call the Silver Cross Family Care Center at (815) 726-1164 or (312) 460-5050.

Emergency 857-5360
Patient Information 857-5240
Out-Patient Service 425-0391

Christ Hospital is a teaching and referral hospital with over 20 years of service to residents of Oak Lawn and surrounding southwest communities. With 873 beds, the hospital is one of the best-staffed and best-equipped medical centers in the area.

Christ Hospital provides care for pulmonary diseases, infectious diseases, hematology, endocrinology and special neurological procedures. There is a cancer and tumor treatment center, departments for cardiac catheterization, coronary angiography and plastic surgery.

Examples of a sophisticated level of care abound, but a few are both adult-open heart surgery which boasts a 98.2% success rate, and the newly added pediatric open heart surgery. In addition, Christ Hospital is certified by the Committee on Accreditation of Rehabilitation Facilities and is designated a regional trauma center.

The hospital sponsors at least 40 community health programs each month and periodically offers free health screening programs which include blood pressure, height and weight, diabetes, colon cancer and anemia/thyroid tests.

Christ Hospital is owned and operated by the Evangelical Health Systems. Since the organization's founding in 1906, it has grown to become the largest multihospital system in Chicago.

Palos Community Hospital

80th Avenue at McCarthy Road
Palos Heights, IL 60463
361-4500

A full-service community hospital with 507 beds, Palos Community Hospital opened as a not-for-profit, inter-faith medical facility on March 19, 1972.

Today the hospital offers a wide range of patient services, with modern facilities equipped to deal with most medical situations.

The hospital's respected and growing medical staff consists of some 290 physicians representing 40 specialties and subspecialties. At the core of our health care system is a professionally trained, 875-member nursing department committed to the concept of quality patient care.

Palos Community Hospital also offers in-patient and out-patient services from its modern, well-equipped Laboratory, Radiology, Physical Therapy, Cardiology and Respiratory Therapy Departments.

To keep pace with the growing health needs of the southwestern suburbs, Palos Community Hospital has constructed a comprehensive Primary Care Center at 153rd Street and West (100th) Avenue in Orland Park.

Through the center, which begins operation on August 19, 1985, area residents have easy access to a broad range of qualified physicians -- all on staff at PCH. Since the center is a part of Palos Community Hospital, its patients can enjoy complete continuity of care if they must be admitted to the main hospital.

In addition to the medical office complex, the three-story Primary Care Center features an immediate care center for minor medical emergencies. The Primary Care Center is open seven days a week and offers laboratory, radiology and home health care services, as well as a cardiac rehabilitation program.

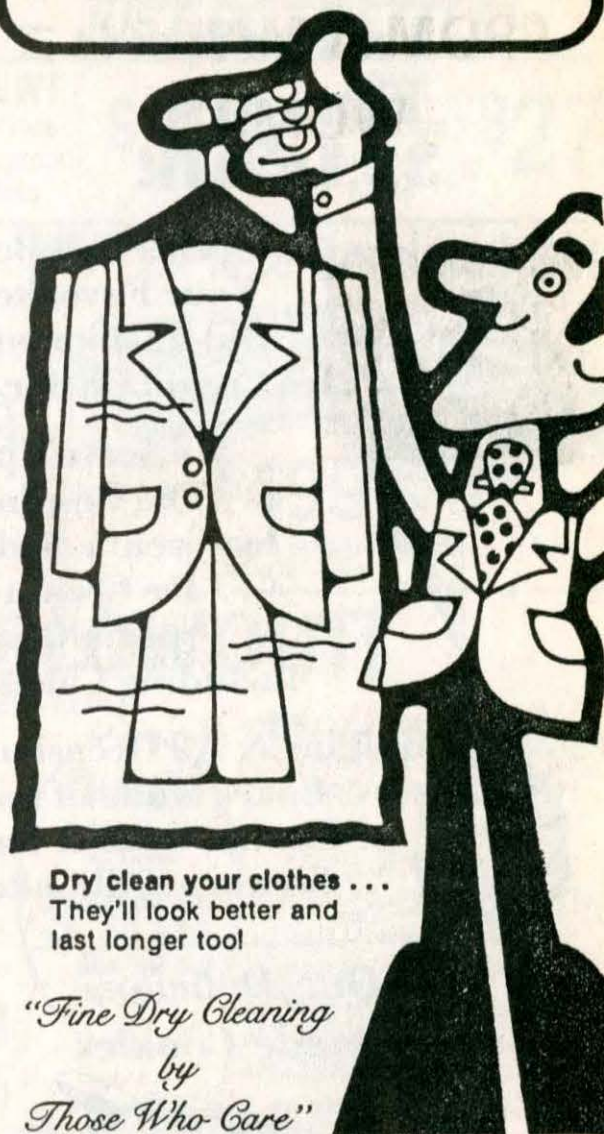

Free health education programs and community group meetings are regularly held in the center's meeting room, as well.

Commuter Bus Service

Pace And Metra Serve The Southwest Suburbs

The southwest suburban communities benefit from a coordinated system of transit bus, specialized van and commuter rail service. Bus service is provided by Pace, the suburban bus service of the Regional Transportation Authority (RTA) and commuter rail service is provided by Metra under the commuter rail division of the RTA. Bremen and Orland Townships, as well as the villages of Crestwood and Tinley Park, provide specialized van services.

The Village of Tinley Park is currently served by Pace bus route 364. Route 364 - 159th Street, serves Brentmentowne Mall, the Fulton Commons and Tinley Park Hospital, and other locations from 183rd and Harlem to River Oaks Plaza.

Tinley Park also has paratransit available to seniors (65 and older) and mobility limited residents. The service provides door-to-door transportation. More information on this service may be obtained by calling the village at 532-7700.

Orland Park is served by three routes. Route 384-Narragansett/Ridgeland serves various points in the southwestern suburbs from Orland Square to Ford City. Route 835 Chicago Express picks up commuters on the west side of Orland Square, then at the Norfolk and Western Station. This route stops at another 5 locations throughout the south suburbs, ending its run in downtown Chicago at the Palmer House. This service is available only on weekdays.

Route 386-Harlem travels from the Blue Island Station stopping at Orland Square and ending at Archer and Harlem.

The Village of Orland Park has a paratransit service available to residents of Orland Park and Westhaven. For more information on this service call 349-5430.

Oak Forest residents are served by three different bus routes. Route 364-159th Street takes residents from 159th and Cicero to River Oaks and points between to Tinley Park Hospital. Route 383-Cicero begins at 159th and Cicero and makes various pulse points to Ford City.

Route 740-Oak Forest is a feeder service to the Rock Island Station. This is an AM/PM rush hour service only. This route is scheduled to feed trains leaving Oak Forest at 6:31, 6:58 and 7:48. This route meets the trains leaving downtown Chicago at 4:35, 5:16 and 5:40 p.m.

In Midlothian, Pace operates 2 buses. Route 359-Robbins and South Kedzie has its north terminus at 119th and Halsted with its south terminus at South Suburban Hospital. Route 383-Cicero operates from Ford City Shopping Center to Oak Forest Hospital at 159th and Cicero. The route goes from 147th up to Playfield Plaza and Jewel on Route 83.

Three Pace buses are operated from Crestwood. Route 359-Robbins and South Kedzie operates on Kedzie with its north terminus at Halsted, and its south terminus at Orland Square. Also, Route 383-Cicero operates on Cicero from Ford City Shopping

Center to Oak Forest Hospital. Lastly, Route 386 operates with a north terminus at Ford City and a south terminus at Orland Square.

The Village of Crestwood runs a paratransit bus for residents. Details of this service can be obtained by calling 371-4800.

Bremen Township has a paratransit service for senior (55 plus) and mobility limited. Call 687-8223 for further information.

Orland Township Senior Citizen Council has a station wagon servicing seniors (60 plus). Further information may be obtained by calling 429-3800.

If you have any questions regarding routes, schedules or fares on any transportation services in your community, the RTA operates a 24-hour, 7 day-a-week (closed major holidays) Travel Information Center in Chicago at 836-7000. In the suburbs, you may call toll-free at 1-800-972-7000.
