"People Planning For People"

Village of Tinley Park
Human Resources Commission
16250 S. Oak Park Avenue • Tinley Park, IL 60477
(708) 532-7700

The idea behind *DISCOVER TINLEY* is to help the people of Tinley Park learn more about our community. This booklet is an important part of this concept. Under the direction of Chris Bartoli and Reta Brudd, the Human Resources Commission has updated the *DISCOVER TINLEY* Human Resources Directory.

This pamphlet provides each of our citizens with a ready reference to various agencies along with numerous other needed addresses and phone numbers. The short descriptions of these various services available should also be very beneficial.

Many times you will hear different "rumors" that may be traveling about the Village. Don't hesitate to call me or one of the Trustees. A short three or four minute telephone conversation will go a long way toward alleviating some of your potential concerns.

I am sure that all of you will find this booklet helpful in learning more about the area in which we live. I invite each of you to not only *DISCOVER TINLEY*, but to also *SHOP TINLEY*.

Sincerely yours,

Edward J. Zabrocki
Mayor

For ages 55-65, fare is \$1.30 per ride. Age 65 and over with an RTA reduced fare card is 65¢ per ride, without card is \$1.30 per ride. Handicapped fare is 65¢ per ride, regardless of age.

HEALTH SERVICES

Orland Township Health Services 403-4222
Orland Township Health Services provide low cost, high quality medical exams to all Tinley Park residents. Forty area doctors participate in this program, which is designed to encourage residents to maintain their good health by seeing a doctor on a regular basis for preventive health care.

To utilize this service, the resident visits the township office at 15100 S. 94th Avenue, Orland Park, to pay for the exam and select a doctor from a list of those who participate. Appointments are scheduled by the resident with the doctor's office. Physical, dental, vision, hearing and podiatry exams and screenings are available at reduced rates. Free blood pressure screening clinics are scheduled monthly and numerous free children's immunization clinics are scheduled throughout the year.
