CLINIC SATISFACTION

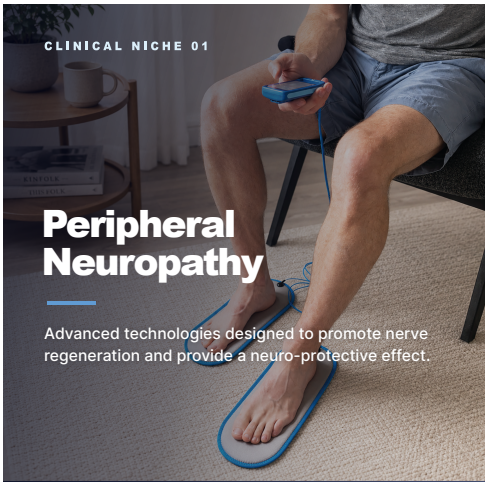

"When we do the re-evaluations after 3 months, we see so many changes just from patients doing their home care with your products."
Dr. Rosie Main
Main Health Solutions

"We had a neuropathy patient come in for a 24-month reevaluation yesterday, and she's 92% improved."
Dr. Mark Beck
Beck Wellness Center

"80 to 90% of the patients that are doing our protocol will see improvements within one month."
Dr. Tim Kammerman
