ROLL-ON

For Back Relief, Neuropathy, Sore Muscles, and Joints

FAST ABSORPTION

RELIEVE BURNING

SOOTHING MENTHOL

- **MEDICAL GRADE PAIN RELIEF:** Nerve Target is roll-on pain relief that tackles neuropathy symptoms, arthritis, back pain, joint pain, and sore muscles with professional formulas that perform.
- **HEATING AND COOLING THERAPY:** The unique warm and cool formula of Nerve Target will melt away pain.
- **LOW ODOR:** Just because you're in pain doesn't mean you have to smell like it.
- **NOURISH AND MOISTURIZE:** With skin on the defense from the cold and other elements, pain gel shouldn't mean dry skin. Nerve Target's all natural ingredients include moisturizing aloe leaf to help keep skin nourished and healthy while it works to stop pain and inflammation in real time.
- **NOT STICKY OR GREASY:** You want to apply your topical pain relief and go about your day. Our formula makes sure that you won't feel it on your skin for hours after you apply it, leaving no sticky or greasy feeling residue behind.

Description:

Nerve Target is an all-natural blend of ingredients designed as a post-treatment therapy enhancement for our light therapy products, lasers, and nerve stimulation devices.

Our all-natural formula includes key ingredients that work to treat the joint, and relax the nerves. Such as Magnesium, Glucosamine, and Arnica.

Nerve Target provides a cooling relief for inflammation and a soothing heat for aching areas. Use on your knees, neck, upper or lower back, sciatica, tendonitis or bursitis pain, and foot pain like plantar fasciitis, and as well as for conditions such as neuropathy.

Active ingredients include: menthol, camphor. Inactive ingredients include: Eucalyptus, Globulus Leaf Oil, Arnica Montana Flower, Hamamelis Virginiana (Witch Hazel), Camellia Sinensis Leaf, Aloe Barbadensis Leaf, Glucosamine Petersonii Oil, Magnesium.
