Foreword

The *C Instrument Companion* is a book of descants for instrumentalists: a compilation of 750 titles that appear in missals and hymnals from World Library Publications, a division of GIA Publications, Inc. This book allows the instrumentalist to add descants to the assembly's songs, and the music may be used for purely instrumental presentation as well. Accompaniment versions of these songs are found in the *Word & Song and Seasonal Missalette Keyboard Accompaniment*, the *We Celebrate Keyboard Accompaniment*, or *¡Celebremos/Let Us Celebrate! Alphabetical Keyboard Accompaniment*. Guitar chords are in matching resources, *Word & Song and Seasonal Missalette Cantor and Guitar Accompaniment*, the *We Celebrate Cantor/Guitar Edition*, or *¡Celebremos/Let Us Celebrate! Alphabetical Guitar Accompaniment*.

Mass settings and service music are presented in Volume 1; hymns, songs, and psalms follow in alphabetical order in Volumes 2 and 3. A Titles Index is included in each volume. The Tunes Index in Volume 3 identifies where a tune may have two or more different descants available.

The layout of the *C Instrument Companion* is intended to give the player the most options with a minimum of page turns. The melody for each title is provided on the top staff; one or two descants are presented on staves below. In many instances, the descants can be played simultaneously.
