Truly, parents are happy
people - to have God's
children lent to them.

CHARLOTTE MASON

Thought breeds thought:
children familiar with great thoughts take as naturally
to thinking for themselves as the well-nourished body
takes to growing and we must bear in mind that growth,
physical, intellectual, moral, spiritual,
is the sole end of education.

Every child should leave
school with at least a
couple of hundred pictures
by great masters hanging

his imagination.
