

What information do we collect?

When you open "Che Boludo - Trial" for the first time we ask you permission to read the "Phone State" so we can access the unique phone identifier id. We use this information to keep track of the app installations and when to lock apps that have exceeded the trial period.

What do we do with this information?

We store it on a secure server alongside the date when you installed the app just so we can calculate when the trial expires. We do not share this information with any third party and its purely for our own internal use.

Is my information secure?

Yes we store your information in our secure servers and every communication with our servers is encrypted under https.

Still have questions?

We realize everyone has a different view on privacy. We take your privacy very seriously. If you still have concerns, or are unclear about any aspect of our privacy policy, please [contact us](#), and we will be happy to discuss the matter with you.
