

HIS STORY. YOUR STORY.

LIFEGROUP SERIES OVERVIEW

For the next 7 weeks LifeGroup lessons correspond with the sermons and kick off a week of daily readings from “Your True Story” by Chets’ own Susan Freese. Each week you will watch a short teaching video by Susan introducing the topic, read scripture, have group discussion and complete an exercise that serves as application. They will be in your Leader Guide and handouts will be in your packets.

“Your True Story” is a 50 day guide of daily readings. Each week you will learn more of the narrative woven through the Bible. Part 1 starts with a wide scope of the overarching story of God. Then we’ll narrow our focus to your place and purpose in God’s Story. Part 2 covers the essentials of the faith and becomes a resource guide you can return to as life’s unexpected circumstances come your way. Our prayer is that your LifeGroup will encounter God’s love and embrace their part of God’s Story.

***Super Sunday!** Plan on having breakfast and a time of fellowship. The lesson is shorter. Wear your team gear - the most spirited LifeGroup wins a free breakfast!

EXPECT GUESTS: Churchwide series always bring new guests. Be sure you have them fill out a guest form, include them in your weekly email and follow up with them. Wearing nametags makes guests feel welcome too!

PRAYER REQUESTS: Consider taking prayer requests differently for this series, so you have time to fit everything in. Bring a spiral notebook each week and have people write down their requests. Then circle back and share answers or updates to these requests.
