

LEVERAGE YOUR LIFE

LIFEGROUP SERIES OVERVIEW

Every one of us as followers of Jesus has a longing to live our lives for something bigger than us. Something that matters. What does that look like practically? It's using our job, skill, and passion where we live, work, and play for the sake of God's mission in the world. As we look at the Five Kingdom Priorities, we will see how to align our values, leveraging our life for the glory of God. Teaching videos are posted here: www.chetscreek.com/adults/lifegroups
