

# Circle Christian School Fee Summary 2019-20

## Enrollment Fees (New and Returning Students)

### Becoming a Student at CCS - Enrollment Closes June 13, 2019

At Circle, each family is able to individually address student academic needs while engaging in a supportive and inspiring school-wide community. Enrollment with CCS means your student is registered in an accredited private school. The academic office maintains a record of student grades, curriculum, enrichment choices, and online standardized testing opportunities. High School students will benefit from Circle's full-service Guidance Department including course planning, student and parent workshops, conferences, scholarship recommendations, official transcripts, dual enrollment options, and Florida Bright Futures documentation. These services are universally provided to all students enrolled at Circle.

Student applications may be found at [circlechristianschool.org/](http://circlechristianschool.org/).

## Upper School Course Fees

**True Academic Flexibility** is one of Circle Christian School's greatest assets. Our Upper School students (7-12 grade) enroll in a university hybrid model campus experience. This is an environment where academic and elective courses merge with responsibility, and classrooms offer enough time for thought provoking, in-depth discussion. These students are challenged to connect a Christian worldview with the world and culture around them.

## Arts Course Fees

### Choosing a Path

Circle believes the arts are an important element in a student's education. Two options are available: Arts Electives or Circle School of the Arts. Arts electives are for those students who desire exposure to an area of the arts; Circle School of the Arts is for those who are committed to their craft. Circle School of the Arts is an audition only, arts elective program providing extraordinary opportunity and the option to earn a specialized arts honors diploma. A separate application is required for Circle School of the Arts. It may be found [here](#).

After enrollment closes on June 13, any change in class schedules will incur a \$25 Class Change Fee, per class.

\*Class changes that are recommended by the Guidance Department will not incur any change charges.

### Enrollment / Class Drop Fees

We understand that your desire for your student(s)'s schedule may change. From time of registration, until June 13, 2019 we allow you to drop from classes or enrollment for no fee, with the exception of any enrollment and registration fees paid being non-refundable. After enrollment closes on June 13, drops from enrollment or classes will result in the entire school balance still being due, as teachers have been hired and classes confirmed with the understanding that your student(s) were a part of the organization.
