

# GROW YOUR RESPIRATORY THERAPY CAREER WITH US

Rochester Regional Health invites Respiratory Therapy students and recent graduates to start your career in a place where you can grow and thrive. Wherever you are in your career, we'll provide the support you need to achieve professional growth. We'll get you off to the right start through an orientation that includes classroom and hands-on experiences, as well as shadowing. Then, we'll offer you resources, such as tuition discounts and reimbursement for continuing education.

We have opportunities to suit every level of education and experience.

## Current students:

- Paid employment in Support Service or Nursing Support roles such as equipment care technicians and patient care technicians. This is an excellent way to gain clinical experience while developing a relationship with the department.

## Experienced Respiratory Therapy professionals:

- Inpatient opportunities within respiratory therapy departments of each of our five hospitals and affiliated long term care centers
- Critical care experiences are also available

## Position Highlights

- Ability to work to the full extent of your education and training
- Leadership and advancement opportunities throughout system
- Competitive salary and benefits
- Generous retirement benefits
