BEHIND THE VOICE

Grades 7–12

Cincinnati Opera is excited to offer students a career discovery opportunity. In this program, a professional singer will share details of their personal story and career journey. Behind the Voice aims to educate, encourage, and entertain. Topics that they’ll cover include: education, vocal training, networking, auditioning, and performing. In addition to sharing their story, the artist will incorporate a few songs from their repertoire. A question-and-answer session will conclude the program. Singers from diverse cultural backgrounds will be featured. This engaging program aims to share the process of career development and encourage students to pursue their dreams!

For booking information and pricing, contact Jemannie Severson Luong, Education Manager, at 513-768-5567 or jluong@cincinnatiopera.org.
