FIERCE RESIDENCY

Grades 7–12

Be FIERCE! In the summer of 2022, Cincinnati Opera presented the world-premiere of Fierce, which focuses on the lives of four teenage girls as they navigate through a time of social media, college admissions, grief, and friendship. Cincinnati Opera is thrilled to share this spectacular opera with your school. Our FIERCE Residency encourages young people to discover what makes them fierce. Participants will have the opportunity to watch a video of a Fierce performance, participate in writing workshops and group discussions, and engage in Q&A sessions with the Fierce creative team, opera artists, and much more.
