TREASURER’S REPORT
  Mr. Sunil Puri, Treasurer

  John Phelps defers to Gretchen Gilmore. Gretchen Gilmore states when you compare August 2018 to August 2019 we are down. Last August we had Seinfeld but there weren’t any touring acts this year. Year-to-date we are still ahead because of Rob Zombie and Marilyn Manson in July. Looking at September we will probably have a dip on our year-to-year results because last year we had REO Speedwagon. October is heavily programmed. The budget is still being reviewed by SMG and Craig Thomas. Hopefully, next month we will have a budget to present. Craig Thomas provides an update on the matter of the budget with SMG.

  MOTION: Motion to approve August 2019 financials made by Michael Schirger, second by Rudy Valdez. Motion passes unanimously.

Troy Flynn states the Blackhawks vs the Boston Bruins game will be aired at the BMO during the season ticket holder pick up party on September, 28, 2019. Troy Flynn states we are looking for a marketing director and have another sales position open. Troy Flynn states we currently have 41 touring events and 38 IceHogs events booked. The Windy City Bulls have asked to book a double header now so we will have more NBA G league games. Troy Flynn updates the board that Fred VanVleet has signed a contract for the sponsorship of the basketball court. Troy Flynn informs the Board that the Fire department has asked to use the IceHogs logo on the side of their trucks so we are working with them on the graphics.

COUNSEL’S REPORT – Attorney Tim Rollins

CHAIRMAN’S REPORT – Mr. Craig Thomas

Craig Thomas states that he has had some follow up discussions with the Blackhawks and Mark Bernard. Craig Thomas informs the Board that there was a meeting in Chicago between Tony Cima, Doug Thornton and Blackhawks management at the Blackhawks request. Craig Thomas states that on Monday evening, prior to the meeting, he met with Tony Cima, Thierry Gray and Doug Thornton and covered many topics regarding operational activity and the changes they would like to make. Craig Thomas states that he made clear to them that we are not seeing the amount of shows promised at the engagement of the contract. Craig Thomas provides an update on the Baby Shark show regarding the guarantee that was asked of us. It was decided that the $20,000 guarantee will not be needed to have the show. Craig Thomas discusses the need for the SMG incentive fee to be more aligned with RAVE’s performance and he advised Doug Thornton that he would expect it to be renegotiated if RAVE were to extend the SMG contract. Craig Thomas informs the Board that Doug walked around the BMO and did a capital improvement analysis to determine what could be improved and recommended SMG has an architect come in and look at some improvements. Overall Craig Thomas feels the meeting was productive. Craig Thomas states SMG’s corporate policy is that we cannot have commission on IceHogs sales and he has asked them to go back and look at that again because some laws may have changed with the new administration.
