

## INTERNATIONAL FULFILLMENT & MAIL CONSOLIDATION

Let us help you expedite and save money on international fulfillment and mail consolidation. Our Chicago-based International Fulfillment Center and team of experts have the experience and resources to provide an all-inclusive fulfillment solution or one that can be integrated with your existing fulfillment model. **Meet international service level expectations while saving time and money with DM Fulfillment Services.**

### A comprehensive solution:

- Lower costs via direct access to postal and courier channels
- Presorting reduces cost and delivery time by accessing direct, down-stream entry points
- Reduced delivery touchpoints for increased speed
- Full suite of service offerings: Deliver Duty Unpaid/Deliver Duty Paid, Tracked/Untracked, Express/Courier/Postal
- Screening facility - Ability to load our own containers for tender for flights same day
- Foreign Trade Zone allows duty deferment or avoidance for fulfillment or cross dock
- Standard service as fast as 3-5 days to the UK, other countries may vary
