FIRE DEPARTMENT MESSAGE

If you are still waiting for the perfect time to join the Elk Ridge Fire Department, we are still waiting for you. Now is the time!! We had a FD information seminar and thanks to all those that attended. Your applications are being processed and you can expect a call any day. We will continue to have information meetings to help answer any questions. We are continuing to work to add multiple positions on the FD for EMTs, Fire Fighters and will be adding Ambulance Drivers, hopefully, in the near future. The Elk Ridge FD is a volunteer paid on call organization with many opportunities for EMS training, college education, and firefighting certifications for both structure and wildland fire fighting. We are working currently to become an ambulance transport agency and frankly need more of our great residents to come be a part of our team. We have a great team of people serving the community and are there whenever 9-1-1 is called. For information on this exciting opportunity, email firechief@elkridgcity.org, download and complete and application from the FD tab on the city website elkridgcity.org then return your app to the city offices or email it to the email address above and we will take it from there. Come be a part of our team of Emergency Service Professionals. Hope to hear from you soon!!

Happy St. Patrick's Day!!

Stay well and safe!!
Seth Waite
Fire Chief ERFD
