Step 2: Enter and Save Zenfolio Credentials

- **Important**: Your Zenfolio **Account** Name is simply the master username seen in your Zenfolio URL, not your email address.
- **Important:** Your **Zenfolio** User Name is not your email address, but just the user name set up in your account settings and shown in the top right when you are logged in to Zenfolio. You may use a Zenfolio sub account to connect to Pixelshare.

Step 3: Account Connection Complete!

- To double check account connection is complete go to your Dashboard and look for your Zenfolio Group folders and Galleries which will appear at the top of the list.
- **Important:** Only Public Group Folders and Galleries will show in Pixelshare. If an Event, Group, or Gallery is set to Private in Zenfolio it will not show in Pixelshare.
