

BEAUTY. QUALITY. VALUE.

Shown Above: Full Lite Elan Glass in Blue Heather

AN INVESTMENT THAT MAKES A DIFFERENCE

An All-Seasons Front Entry Door System can completely change the look of your new or remodeled home. Upgrading or replacing your entry door to an All-Seasons Entry Door adds curb appeal and creates a great first impression.

Entry Door replacement consistently ranks at the top as one of the most valuable home remodeling projects according to Remodeling Magazine's "Cost vs. Value Report" as giving the homeowner the greatest return on your investment. An independent research firm estimated homes with All-Seasons Front Entry Doors increased by 4.5% or up to \$19,000 in value. Make your next investment an All-Seasons Front Entry Door System.

ALL-SEASONS ENTRY DOOR SYSTEM

BEAUTY. PROTECTION. PEACE OF MIND.

Whether you choose a solid panel or decorative glass All-Seasons Entry Door System, we have a style that will match your home and provide you with exceptional beauty and curb appeal.

Our All-Seasons Entry Door provides a “Rot-Free” complete system with protection from elements that can typically destroy other entry systems. Whether you choose an all composite PVC or aluminum clad system, you have invested in a high performance door slab and components to provide the homeowner a system that is built to perform and built to last.

Upgrade your All-Seasons Entry Door System with our Trillennium 3- Point Locking Hardware and Impact High Security Glass for maximum protection and peace of mind.

WHAT MAKES AN ALL SEASONS ENTRY SYSTEM SPECIAL?

SMOOTH OR WOODGRAIN TEXTURED FIBERGLASS DOOR

Will not warp, rot, dent or rust. Provides superior protection and durability.

ROT FREE COMPOSITE PVC OR ALUMINUM CLAD FRAME SYSTEM

Waterproof composite or aluminum clad frame and brick mould provide protection against moisture and rot.

FLUSH GLAZED ENERGY EFFICIENT LOW-E GLASS

Energy Star certified glass provides superior performance.

UPGRADE TO HIGH SECURITY MULTI-POINT LOCKING HARDWARE

The All-Seasons Trilennium Multi-Point Locking System provides three point locking security, strength and performance.

HIGH SECURITY IMPACT RESISTANT GLASS

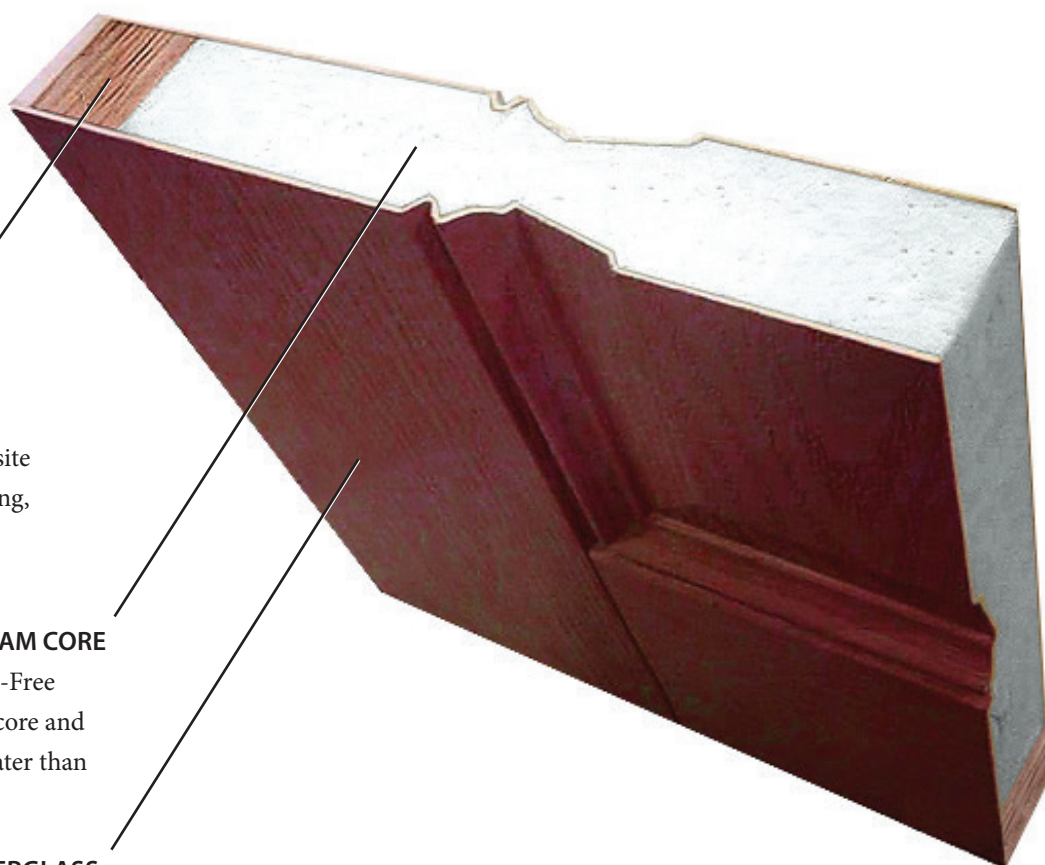

Upgrade your All-Seasons Entry Door System with Impact Resistance Security Glass.

Shown above: Full Lite Beaufort Glass in White

**FULL COMPOSITE LVL
STILES AND RAILS**

The strength of LVL and composite provides protection against rotting, moisture absorption, warp and delamination.

POLYURETHANE CFC FREE FOAM CORE

Our advanced high density CFC-Free foam core provides a structural core and provides insulation up to 6x greater than wood doors.

**SMOOTH AND TEXTURED FIBERGLASS
REINFORCED DOOR SKINS**

High definition embossed panel construction requires little maintenance and will not split, dent, warp or rot.

TRILENNIUM MULTI-POINT LOCKING SYSTEM

Trilennium® delivers 3x the strength, 3x the security and 3x the performance with one multi-point locking system, resulting in maximum peace of mind and homeowner satisfaction.

Operating as one, all three bolts engage when the door is closed, fighting deflection even when the door is unlocked. One movement of the key or thumb-turn activates all three bolts, drawing the door into perfect alignment with three true deadbolts that cannot be comprised. Plus, it's easy to use. Just one turn of the lever disengages all three bolts for easy operation time after time.

Trilennium's superior strength works when others fail, achieving the industry's highest rating of structural and forced entry testing. A solid piece I-Beam runs the full length of the lock. This not only increases the strength and precision of the lock, but also strengthens the door edge, preventing warping over the life of the panel.

TRILENNIUM HARDWARE

The Trilennium® Hardware collection combines elegant design with precision engineering for beautiful, reliable performance. Trilennium Hardware is available in entry, inactive and dummy functions.

All-Seasons Aluminum Clad Frames offer a 16 gauge aluminum exterior integrated with composite base substrate. Use our standard 4-9/16" or 6-9/16" frames, or custom-size your frames using All-Seasons extrusions. Select Traditional or Modern exterior brick mould, then choose one of our four standard colors (white, black, bronze or sandstone) for a maintenance free exterior door system.
