Dr. Tao Liu Joins PACE at Element Care

Lynn, Mass. – August 17, 2017 – Element Care, a non-profit, health care organization serving adults 55 and older, announced that Dr. Tao Liu, has joined its Program of All-inclusive Care for the Elderly (PACE) in Lynn, Massachusetts. In her role as a physician, Dr. Liu will be responsible for caring for Element Care’s PACE participants at 62 Market Street in Lynn.

“My goal has been to make a meaningful impact in my patients’ lives by providing care that supports their goals and values,” said Dr. Liu. “I was raised by my grandparents and always enjoyed interacting with older adults which inspired me to pursue geriatric care. The PACE model of care; which focuses on taking care of the whole person and not just physical symptoms is pretty unique in healthcare and something that really attracted me to the program.”

Dr. Liu obtained her undergraduate degree in Brain and Cognitive Sciences from Massachusetts Institute of Technology where she was a member of Phi Beta Kappa. After spending a year in Spain as a Fulbright Scholar, she attended the University Of Pittsburgh School Of Medicine where she was a member of Alpha Omega Alpha, Arnold P. Gold Humanism Honor Society and the president of the Geriatric Area of Concentration. She completed her internal medicine residency and geriatric medicine fellowship at Yale-New Haven Hospital in Connecticut. Dr. Liu currently resides in Swampscott, MA with her parents.

“As we grow our PACE Program, we need to ensure that our participants receive the best care possible so that they can live better and longer lives,” said Elisabeth Broderick, Medical Director at Element Care. “Given her extensive experience and passion for geriatric care, Dr. Liu will be a valuable resource to our participants by ensuring that each participant receives comprehensive care.”

About Element Care

Element Care, founded in 1995, is a non-profit, healthcare organization with a simple mission: to help people live safely and comfortably in their homes and their communities for as long as they can, keeping their stays in hospitals and nursing facilities as minimal as possible. Element Care provides complete health care to eligible people through PACE (Program of All-Inclusive Care for the Elderly) throughout the Massachusetts North Shore, the Merrimack Valley and the northeast region of Middlesex County.
