at Element Care**

BEVERLY, Mass. – April 15, 2016 – Element Care, a non-profit senior care organization, recently announced that Amesbury resident Robert A. Aurilio, FACHE, has joined Element Care as Site Coordinator where he will be responsible for the operations of Element Care’s Beverly PACE site located at the Cummings Center.

Mr. Aurilio received a BA in Medical Science from Boston University and his Masters in Management degree from Lesley University. He is also Board-Certified in Healthcare Management by the American College of Healthcare Executives (ACHE) as a Fellow (FACHE).

Element Care’s all-inclusive approach to care includes primary, specialty, dental and emergency care; an Adult Day Health (ADH) Center including activities, exercise programs and meals; nutritional counseling, physical and occupational therapy; behavioral health, counseling and social work; medications, medical equipment and supplies; and transportation to the ADH and medical appointments.
