

# Envía Paquetería Prestashop

Prestashop module that provides a link to load shipping guides through the platform [enviapaqueteria.com](http://enviapaqueteria.com)

## Getting Started

---

This module works in production versions and even in test integrations. Make your guides easily and quickly from your catalog of orders.

## Requirements

- 1.- Have an account on the [prestashop.com](http://prestashop.com) platform.
- 2.- Upgrade to versión  $\geq 1.4$

## Installation

1. Download the module from our website. [Download link](#).
2. Enter to your administration panel in your prestashop portal.
3. Select the option "modules" from the panel located on the left side.
4. Click on the "Upload a module" button.
5. Drag or select the .zip file to the form to install the module.
