## Description

FCA was engaged by Fox Rothschild for the relocation of their growing Los Angeles location to Century City's landmark 10250 Constellation Boulevard tower. Reflecting on the vibe of Los Angeles and the firm's innovative approach to client service, the planning concept showcases specialty program spaces. These include a high -tech media lounge, green room coffee bar and intimate caucus spaces were designed to appeal and serve high profile creative, entertainment and business clients. A hospitality aesthetic was incorporated which includes features such as the accent of a custom crystal light fixture in the elevator lobby and bright pink accent walls in the client lounge area. A cutting edge and flexible conference center enables the firm to host market facing events and large gatherings. The new interior is supported by a LEED Gold building, also features 100% sit to stand desks for all staff as part of the firm's wellness initiative.
