

System Features

Multiple profile dimensions and edge depths

Straight sections, corners, and custom configurations

Uniform, continuous illumination along ceiling perimeters

Multiple lumen outputs and power options

Compatible with leading dimming and control systems

Designed for recessed ceiling integration

Order Code

ORDER CODE EXAMPLE: EDGE-48V-G5SP-MD-COF-10FT-490DIN-35K-WH-D10

| Series | Voltage | Type | LED Tape Voltage | Shape | Length |
|--------|-----------|-------|------------------|--|----------------|
| EDGE | 48V 48VDC | G4-LL | LW 5W/Ft | STR Straight Run (no corners) | _____ in feet |
| | 24V 24VDC | G-5SP | ST 4W/Ft | COF Coffer - 4 sides with 90D inside corners | __X__X__X__ |
| | | G3-LL | MD 6W/Ft | RAF Rafter - 4 side with 90D outside corners | __X__X__X__ |
| | | G7-LL | HO 8.8W/Ft | WALL Continuou wall run with inside and/or outside corners | __X__X__X__X__ |
| | | | CO Custom | CSI Custom shape with ouside corners | __X__X__X__X__ |
| | | | | CSO Custom shape with inside corners | __X__X__X__X__ |

| Corner Detail | CCT | Finish | Dimming |
|---|-----------|------------------------------|--------------------------------|
| Leave Blank | 27K 2700K | AN Anodized | ELV ELV/TRIAC Phase Cutting 3% |
| 490DIN | 30K 3000K | WH White | D10 0/1-10V(100%-1%) |
| 490DOT | 35K 3500K | BL Black | PO1 Premium Driver 0.1% LOG |
| #90DIN #90DOT | 40K 4000K | CS Custom | |
| #XXDIN or #XXDOT | 50K 5000K | | |
| | 57K 5700K | | |
| | 65K 6500K | | |
| *Specify the number of and degree of the corners (example if you have a shape with 5 corners, 3 corners at 90D and 2 corners at 135D. You would specify 390DIN and 2135DIN) | | TW Tunable White 2700K-6500K | |
| | | WD Warm Dim 3000K-1800K | |
