PRODUCT INTRODUCTION

The Nova globe series features timeless spherical pendants with a clean, diffused glow.

Designed for versatility, it offers multiple diameters and configurations to suit a wide range of residential and commercial applications.

Its minimal form and soft illumination create a refined and balanced lighting atmosphere.

FEATURES

-  Multiple globe diameters available for flexible compositions
-  Uniform, fully diffused illumination
-  Clean and minimal aesthetic for modern interiors
-  Compatible with various canopy configurations
-  Ideal for residential, hospitality, and retail applications
