Course Materials / Software:

Advanced Financial Accounting, 12th Ed., by Christensen et. al. (McGraw-Hill Publishers), with access to McGraw-Hill online homework system (CONNECT).

If you purchase a copy of a used or new textbook from any other source, you will have to purchase access to the online homework management system (CONNECT) separately.

Please register with CONNECT via “McGraw-Hill Connect” link in Canvas.

Course Description:

This course is a required course for all accounting majors. It focuses on advanced topics in financial reporting including business combinations, consolidations, and foreign transactions. The emphasis is on consolidating the financial statements of parent and subsidiary firms. Additionally, the course will cover how to account for and manage foreign currency situations.

Course Learning Outcomes:

Upon successful completion of this course, the student will be able to:

- Prepare consolidated financial statements for acquisition-type business combinations involving various intercompany transactions.
- More effectively convey complex information clearly
- Attain a level of competence with the presented material sufficient to perform well on applicable portions of the CPA exam.

How This Course Works:

Mode of delivery: This course is 100% online. There will be required sessions when you must be logged in to Zoom or CarmenCanvas at a scheduled time for a “live” synchronous class or exam. You will also be assigned pre-recorded lecture video assignments for some sessions. Please review the course schedule for details for each class.

Pace of online activities: This course is divided into **chapter modules** that are released as the course progresses. Students are expected to keep pace with reading and online quiz deadlines. Graded homework assignments will be assigned via the textbook Connect platform which will provide an opportunity to solve problems similar to the type of problems that will be on the exams. Connect is linked to CarmenCanvas.

Credit hours and work expectations: This is a **3-credit-hour course**. According to [Ohio State policy](#), students should expect around an average of 3 hours per week of time spent on direct instruction (instructor content and Carmen activities, for example) in addition to 6 hours of homework (reading and assignment preparation, for example).

Attendance and participation requirements: Because this is an online course, your attendance is based on your online activity and participation. The following is a summary of everyone's expected participation:

- **Participating in online activities for attendance:**

You are expected to log in to the course in CarmenCanvas and Connect often (During most weeks you will probably log in many times.) If you have a situation that might cause you to miss an entire week of class, discuss it with me *as soon as possible*.

- **Live sessions:**

You are strongly encouraged to attend all live scheduled events for this course at the time they are scheduled. There will be group discussions during the live Zoom sessions and your participation will be monitored and graded.

Course technology:

For help with your password, university email, Carmen, or any other technology issues, questions, or requests, contact the Ohio State IT Service Desk. Standard support hours are available at ocio.osu.edu/help/hours, and support for urgent issues is available 24/7.

- **TDD:** 614-688-8743

Baseline technical skills for online courses

- Basic computer and web-browsing skills
- Navigating Carmen: for questions about specific functionality, see the [Canvas Student Guide](#).

Required Technology skills specific to this course

- [CarmenZoom virtual meetings](#)

Required equipment

- Computer: current Mac (OS X) or PC (Windows 7+) with high-speed internet connection
- Webcam: built-in or external webcam, fully installed and tested

- Microphone: built-in laptop or tablet mic or external microphone
- Other: a mobile device (smartphone or tablet) or landline to use for BuckeyePass authentication

Carmen access

You will need to use [BuckeyePass](#) multi-factor authentication to access your courses in Carmen. To ensure that you are able to connect to Carmen at all times, it is recommended that you take the following steps:

- Register multiple devices in case something happens to your primary device. Visit the [BuckeyePass - Adding a Device](#) help article for step-by-step instructions.
- Request passcodes to keep as a backup authentication option. When you see the Duo login screen on your computer, click **Enter a Passcode** and then click the **Text me new codes** button that appears. This will text you ten passcodes good for 365 days that can each be used once.
- Download the [Duo Mobile application](#) to all of your registered devices for the ability to generate one-time codes in the event that you lose cell, data, or Wi-Fi service.

If none of these options will meet the needs of your situation, you can contact the IT Service Desk at 614-688-4357 (HELP) and IT support staff will work out a solution with you.

Grading and Evaluation:

The student's final grade in the course will be determined on the following basis:

Each student will receive a letter grade based on a total points earned through attendance/participation, assignments, and two exams that will be given throughout the course. Overall, you will be evaluated in terms of your relative performance as compared to classmates. Extra points obtained in one category will be capped at the category value (i.e., 610/600 Assignment points = 600 Assignment points) and are NOT transferrable to other categories. Make-up examinations will ONLY be given in cases of extreme emergency or an excused absence with proper documentation. Grades will NOT be rounded up (i.e., 89.8% is a B+). The point scale and grading scale are as follows:

Attendance/Participation	100
Assignments	600
Exam 1	150
Exam 2	150
TOTAL	1000

Grading Scale:	
A	93 – 100%
A -	90 – 92.9%
B +	87 – 89.9%
B	83 – 86.9%
B -	80 – 82.9%
C +	77 – 79.9%
C	73 – 76.9%
C -	70 – 72.9%
D+	67 – 69.9%
D	63 – 66.9%
D -	60 – 62.9%
F	below 60%

Academic integrity:

Academic integrity is essential to maintaining an environment that fosters excellence in teaching, research, and other educational and scholarly activities. Thus, The Ohio State University and the Committee on Academic Misconduct (COAM) expect that all students have read and understand the University's Code of Student Conduct, and that all students will complete all academic and scholarly assignments with fairness and honesty. Students must recognize that failure to follow the rules and guidelines established in the University's Code of Student Conduct (<https://trustees.osu.edu/bylaws-and-rules/code>) and this syllabus may constitute Academic Misconduct (<https://oaa.osu.edu/academic-integrity-and-misconduct>)

The Ohio State University's Code of Student Conduct (Section 3335-23-04) defines academic misconduct as: Any activity that tends to compromise the academic integrity of the University, or subvert the educational process. Examples of academic misconduct include (but are not limited to) plagiarism, collusion (unauthorized collaboration), copying the work of another student, and possession of unauthorized materials during an examination. Ignorance of the University's Code of Student Conduct is never considered an excuse for academic misconduct, so I recommend that you review the Code of Student Conduct and, specifically, the sections dealing with academic misconduct.

If I suspect that a student has committed academic misconduct in this course, I am obligated by University Rules to report my suspicions to the Committee on Academic Misconduct. If COAM determines that you have violated the University's Code of Student Conduct (i.e., committed academic misconduct), the sanctions for the misconduct could include a failing grade in this course and suspension or dismissal from the University. If you have any questions about the above policy or what constitutes academic misconduct in this course, please contact me.

Disability Services:

The University strives to make all learning experiences as accessible as possible. If you anticipate or experience academic barriers based on your disability (including mental health, chronic or temporary medical conditions), please let me know immediately so that we can privately discuss options. To establish reasonable accommodations, I may request that you register with Student Life Disability Services. After registration, make arrangements with me as soon as possible to discuss your accommodations so that they may be implemented in a timely fashion. Please understand that my profession is that of lecturer, not practicing lawyer. While your questions in this course or during office hours are not only welcomed but encouraged, nothing I say should be construed as legal advice. Our relationship is that of professor and student not attorney and client, so the special privileges of the attorney-client relationship won't apply to us.
