My goal is to make this a useful course for your career

How this course works:

This course will be taught in the classroom. Lectures will be live and students are expected to attend in person. We will also use class discussion and assignments (in-class and homework). I will use Carmen Canvas for the following:

- Announcements
- Assignments
- Quizzes
- Gradebook
- Modules: I will post class slides, answer to review questions and other material.

This is a 3 credit-hour course. Students should expect an average of 3 hours per week on direct instruction as well as 6 hours of preparation (readings, assignments, review question, study....).

Grading and Evaluation:

Throughout the semester, scores will be available on Canvas. Grades will be based on total points earned in the course as shown below:

	Points	Percent
Quiz 1	75	17%
Quiz 2	75	17%
Quiz 3	75	17%
Quiz 4	75	17%
Team assignment	50	11%
Helios quizzes	20	4%
Homework assignments	40	9%
Participation / professionalism	40	9%
	450	100%

Quizzes:

- Each quiz is mandatory and will be given on an announced basis. Quizzes will be objective and subjective in nature. Each quiz will be given in the classroom and delivered through Canvas. If a medical, family emergency or university sponsored conflict arises, you must contact me before the quiz (via phone call, text or e-mail).

Team Assignment:

- There will be one group assignment. Students will be assigned to groups of mostly four. The assignment will provide an opportunity to apply course material to a real-world fraud.

Homework:

- Assignments will include readings, problems, analyses, short quizzes, etc... Assignments are to be completed and submitted to me through canvas. **They are typically graded based on completeness and professionalism.**

Participation and Professionalism:

- Students will earn points for attending class and acting professionally. Students that participate and add to the classroom discussion may earn additional points. Students that are chronically absent will have points deducted.
- Students may miss three classes before points are deducted. I recommend that students contact me for planned absences with an appropriate reason.

Grading Scale

Throughout the semester, scores will be available on Canvas. Grades will be based on total points earned and natural breaks within the points distribution. In other words, letter grades will be based upon a student's relative performance in the class. I typically use a curved grade scale (similar to below). I may adjust the scale, as appropriate, based on my professional judgement.

Letter Grade	Points	Range
A	4.0	100 – 93%
A-	3.7	< 93 – 90%
B+	3.3	< 90 – 87%
B	3.0	< 87 – 83%
B-	2.7	< 83 – 80%
C+	2.4	< 80 – 77%
C	2.0	< 77 – 73%
C-	1.7	< 73 – 70%
D+

The overall class GPA will reflect my assessment of the degree to which the class has mastered the material. In keeping with Fisher College policy, I strive to have the average GPA for the course in the following range:

UG Business Electives and Capstone Classes **3.2 – 3.6**

Additional Policies

Artificial Intelligence

Use of artificial intelligence (AI)-powered programs, including but not limited to ChatGPT, for course assignments must be first discussed and permitted by the faculty instructor. The scope of use may range from not permitted (with exception of AI-powered search engines such as Google, Bing, etc.) to a broader spectrum of allowed applications. When AI-powered programs are permitted, and used by students, the scope of use and content must be specified and referenced by students accordingly. Students are expected to be aware of the shortcomings of use of AI-powered programs, including risk of academic misconduct (e.g., plagiarism; etc.).

Testing Policy:

Missed quizzes will be recorded as a “0”. Missed exams can only be made-up in extreme cases (e.g., death of family member, personal hospitalization, etc.) with proper documentation (e.g., a physician’s note, ER paperwork, obituary, etc.). Each decision of potentially allowing a make-up exam is made by the instructor on a case-by-case basis. Additionally, you **MUST** contact the instructor (insert instructor’s email) as soon as you know of a potential problem or conflict with an exam date. Alternative methods (e.g., oral exam, essay) of testing may be used for make-up exams. If you are experiencing an extreme situation or emergency, please attempt to notify the instructor email ASAP.

Attendance / Participation Expectations:

Any student who fails to attend without giving prior notification to the instructor will be dis-enrolled after the third instructional day of the term, the first Friday of the term, or the second scheduled class meeting of the course, whichever occurs first. Additional requirements for attendance are outlined in the grading policy. **I do take attendance and will deduct points for excessive absences.**

Additional University Policies and Resources

You can find a list of university policies and resources at go.osu.edu/UPolicies, but here are a few important ones.

Academic Misconduct

Academic integrity is essential to maintaining an environment that fosters excellence in teaching, research, and other educational and scholarly activities. Thus, The Ohio State University and the Committee on Academic Misconduct (COAM) expect that all students have read and understand the University's [Code of Student Conduct](#), and that all students will complete all academic and scholarly assignments with fairness and honesty. Students must recognize that failure to follow the rules and guidelines established in the University's Code of Student Conduct and this syllabus may constitute Academic Misconduct.

The Ohio State University's Code of Student Conduct (Section 3335-23-04) defines academic misconduct as: Any activity that tends to compromise the academic integrity of the University or subvert the educational process. Examples of academic misconduct include (but are not limited to) plagiarism, collusion (unauthorized collaboration), copying the work of another student, and possession of unauthorized materials during an examination. Ignorance of the University's Code of Student Conduct is never considered an excuse for academic misconduct, so I recommend that you review the Code of Student Conduct and, specifically, the sections dealing with academic misconduct.

If I suspect that a student has committed academic misconduct in this course, I am obligated by University Rules to report my suspicions to the Committee on Academic Misconduct. If COAM determines that you have violated the University's Code of Student Conduct (i.e., committed academic misconduct), the sanctions for the misconduct could include a failing grade in this course and suspension or dismissal from the University.

If you have any questions about the above policy or what constitutes academic misconduct in this course, please contact me. You can also review these resources:

- [Committee on Academic Misconduct](https://go.osu.edu/coam) (go.osu.edu/coam)
- [Ten Suggestions for Preserving Academic Integrity](https://go.osu.edu/ten-suggestions) (go.osu.edu/ten-suggestions)
- [Eight Cardinal Rules of Academic Integrity](https://go.osu.edu/cardinal-rules) (go.osu.edu/cardinal-rules)

Your Mental Health

As a student you may experience a range of issues that can cause barriers to learning, such as strained relationships, increased anxiety, alcohol/drug problems, feeling down, difficulty concentrating and/or lack of motivation. These mental health concerns or stressful events may lead to diminished academic performance or reduce a student's ability to participate in daily activities. The Ohio State University's Student Life Counseling and Consultation Service (CCS) is here to support you. If you find yourself feeling isolated, anxious or overwhelmed, [on-demand mental health resources](https://go.osu.edu/ccsondemand) (go.osu.edu/ccsondemand) are available. You can reach an on-call counselor when CCS is closed at [614- 292-5766](tel:614-292-5766). **24-hour emergency help** is available through the [National Suicide Prevention Lifeline website](https://suicidepreventionlifeline.org) (suicidepreventionlifeline.org) or by calling [1-800-273-8255\(TALK\)](tel:1-800-273-8255). [The Ohio State Wellness app](https://go.osu.edu/wellnessapp) (go.osu.edu/wellnessapp) is also a great resource.

Disability Statement (with Accommodations for COVID)

The university strives to maintain a healthy and accessible environment to support student learning in and out of the classroom. If you anticipate or experience academic barriers based on your disability (including mental health, chronic, or temporary medical conditions), please let me know immediately so that we can privately discuss options. To establish reasonable accommodations, I request that you register with Student Life Disability Services. After registration, make arrangements with me as soon as possible to discuss your accommodations so that they may be implemented in a timely fashion. You can connect with them at slds@osu.edu; 614-292-3307; or slds.osu.edu. or in person at 98 Baker Hall, 113 W. 12th Ave.

If you are isolating while waiting for a COVID-19 test result, please let me know immediately. Those testing positive for COVID-19 should refer to the Safe and Healthy Buckeyes site for resources. Beyond five days of the required COVID-19 isolation period, I may rely on Student Life Disability Services to establish further reasonable accommodations.

Creating an Environment Free from Harassment, Discrimination, and Sexual Misconduct

The Ohio State University is committed to building and maintaining a community to reflect diversity and to improve opportunities for all. All Buckeyes have the right to be free from harassment, discrimination, and sexual misconduct. Ohio State does not discriminate on the basis of age, ancestry, color, disability, ethnicity, gender, gender identity or expression, genetic information, HIV/AIDS status, military status, national origin, pregnancy (childbirth, false pregnancy, termination of pregnancy, or recovery therefrom), race, religion, sex, sexual orientation, or protected veteran status, or any other bases under the law, in its activities, academic programs, admission, and employment. Members of the university community also have the right to be free from all forms of sexual misconduct: sexual

harassment, sexual assault, relationship violence, stalking, and sexual exploitation.

To report harassment, discrimination, sexual misconduct, or retaliation and/or seek confidential and non-confidential resources and supportive measures, contact the Office of Institutional Equity:

1. Online reporting form at equity.osu.edu,
2. Call 614-247-5838 or TTY 614-688-8605,
3. Or email equity@osu.edu

The university is committed to stopping sexual misconduct, preventing its recurrence, eliminating any hostile environment, and remedying its discriminatory effects. All university employees have reporting responsibilities to the Office of Institutional Equity to ensure the university can take appropriate action:

- All university employees, except those exempted by legal privilege of confidentiality or expressly identified as a confidential reporter, have an obligation to report incidents of sexual assault immediately.
- The following employees have an obligation to report all other forms of sexual misconduct as soon as practicable but at most within five workdays of becoming aware of such information: 1. Any human resource professional (HRP); 2. Anyone who supervises faculty, staff, students, or volunteers; 3. Chair/director; and 4. Faculty member.

Weather / Short-Term Closing

- Although Ohio State strives to remain open to ensure continuity of services to students and the public, extreme conditions can warrant the usage of the university's Weather or Other Short-Term Closing Policy.
- Should in-person classes be canceled, we will meet virtually via CarmenZoom during our regularly scheduled time. I will share any updates via [Carmen Canvas, email or other mode of communication].

Additional Expectations / Policies:

- Use of computers during class is restricted to appropriate class usage – note taking, slides, assignments (Please No Surfing the Net).
- I will communicate with the class mainly through e-mail or Canvas announcements. E-mail is the best way to communicate with me. If necessary, call me on my cell phone.
- **Attend class, review your notes, and complete the review questions. Ask questions and participate.**
- **Course syllabus may change at my discretion to optimize the quality and flow of content.**
