90.9 The Bridge Announces “The Summer Series” afternoons from 3:00 to 6:00 p.m.

Kansas City, Mo., June 1, 2017: The Bridge is proud to announce a new seasonal afternoon show called “The Summer Series.” The live show will be broadcast weekdays from 3:00 to 6:00 p.m. beginning Friday, June 2 through Friday, August 25. This is further commitment to The Bridge members and listeners to deliver quality programming not heard anywhere else in Kansas City and the surrounding metro.

The show will continue to focus on the love for new music discovery as well as connecting listeners to arts, sports, family events and everything else that makes us Kansas City proud.

The show will be hosted by Dave O’Connor. Dave was born in Dublin, Ireland but now calls Kansas City home. He is an award winning radio and TV host as well as a renowned comedian and writer.

Jon Hart, 90.9 The Bridge station manager said “We are so happy to add Dave to our line-up this summer. He brings a wealth of experience to the station as well as a natural thirst to discover everything that makes us proud of our city. He will be a great addition to our station and I know our members will provide him with a warm welcome.”

The new “Summer Series” will also be available on the live stream on bridge909.org and on the recently released Bridge App available now for iOS in the [iTunes store](https://itunes.apple.com) and for Android on [Google Play](https://play.google.com). The new App includes concert calendar, music news, and 909 Sessions featuring in-studio performances and interviews with both local and national touring bands.
