However, did you know...

Innovation in Community Exploration is what KCPT is all about!

For several years now, KCPT has used the power of our extraordinary programming to engage local viewers. Through the popularity of *Antiques Roadshow*, the *KCPT Antiques Appraisal Fair* is now in its third year! Seen throughout the region, our Memorial Day concert with the Kansas City Symphony, *Celebration at the Station*, is in its fifth year! And through *Check, Please! KC*, we are inviting viewers on our second *KCPT Night on the Town* featuring the KC Trolleys and four area restaurants!

These are just some of the ways to explore Kansas City with KCPT!
