SPECIAL OLYMPICS

Persons that participate in Special Olympic sports should have a current Medical Application on file with RVSRA. The application is good for 3 years. Athletes must have their application on file with us before practices start and

until competitions are complete. Athletes will also need to fill out an Athlete Consent Form. This only needs to be filled out one time. These forms can be found on our website or at the SRA office.

ADA COMPLIANCE

We intend to comply with the Americans with Disabilities Act (ADA) which prohibits discrimination in the provision and inclusion of programs and services to individuals with disabilities whenever possible. However, in some cases, programs are designed to meet the needs of specific disability groups. Parents/quardians should be aware that programs are staffed at a 4:1 ratio and some activities may not be appropriate or adaptable for all participants.

PROGRAM FEES

In District & Out of District fees are in place for most of our programs. Residents living within the boundaries of our member districts are considered in district when registering for programs. Non-Residents can register, but may be required to pay an additional fee for some programs.

All participants who have a fee balance remaining from a previous season will not be allowed to register for new programs until that balance is paid in full.

When registering for programs a 50% payment is required upon enrollment. The remaining balance is due within 45

Refunds and Credits will be given only if a program has been changed, canceled or for medical or relocating reasons.

INCLUSION

RVSRA, Bourbonnais Township Park District, Kankakee Valley Park District and Limestone Park District engage in an interactive process to provide reasonable accommodation for eligible individuals with a disability or special need so that they may participate in recreation opportunities at their local park district. The goal is to provide assistance to children and adults with disabilities and special needs so they may participate in recreation programs with their peers in the general population.

GENERAL INFORMATION

RVSRA is committed to conducting its recreation programs and activities in a safe manner and holds the safety of participants in high regard. RVSRA continually strives to reduce such risks and insists that all participants follow safety rules and instructions that are designed to protect the participants' safety. However, participants and parents/guardians of minors registering for the RVSRA programs/activities must recognize that there is an inherent risk of injury when choosing to participate in recreational activities/programs. You are solely responsible for determining if you or your minor child/ward are physically fit and/or skilled for the activities contemplated by this agreement. It is always advisable, expecially if the participant is pregnant, disabled in any way, or recently suffered iillness, injury, or impairment, to consult a physician before undertaking any physical activity.

PROGRAM CHECK IN PROCESS

When arriving at a program for the first time it is important to check in with one of our Special Recreation staff. Some of our programs will take place off sight and it is crucial that our staff know that a participant is in attendance.

REMINDERS

Reminders will be sent for specific programs approximately 7-10 days prior to the date with important details. After receiving these, if you have any questions please call the office.

MEDICATION DISPENSING

The exchange of medication and information can become hectic as a group prepares to leave for an activity. To be sure that all medication is in order and staff has the appropriate information, we ask that you put medication in specifically marked envelopes, complete the label, and give it to the program supervisor before the group activity begins/leaves. For overnight trips, envelopes will be available at the RVSRA office. These should be picked up ahead of time and ready upon drop off. For day trips, staff provides envelopes at the drop-off point. We are happy to provide a supply of labeled envelopes to you at anytime so you can prepare well in advance of any program.

DISCIPLINE

A positive approach will be used regarding discipline. Staff will periodically review rules with participants during the program session. If inappropriate behavior occurs, a prompt resolution will be sought specific to each individual's situation. The agency reserves the right to suspend/dismiss a participant whose behavior endangers his or her own safety or the safety of others.

- Information & Referral Peer Support & Mentoring
- Independent Living Skills Advocacy Transition Services.

Partnering with people with disabilities who want to live independently and participate fully in society.

CODE OF CONDUCT

RVSRA promotes the concept that recreation and leisure activities add to the quality of life. However, certain rules are necessary to ensure everyone's safety and enjoyment. RVSRA participants are expected to exhibit appropriate behavior at all times. Listed below are examples of some inappropriate behavior that may need to be addressed:

- 1 Show respect to all participants, staff, and volunteers. Participants should follow program rules and take direction from the staff.
- 2 Refrain from using abusive or foul language.
- 3 Refrain from threatening or causing bodily harm to self, other participants, or staff.
- 4 Show respect for equipment, supplies, and facilities.
- 5 Does not possess any weapons.

ESSENTIAL ELIGIBILITY REQUIREMENTS

Given the virtually limitless nature of medical and personal conditions for which individual participants may request assistance, it is not possible to create a "one size fits all" guideline for determining whether and how staff might provide assistance in a particular instance - there is no precise formula for assessing and addressing requests for accommodation. River Valley SRA has designed some guidelines for certain types of programs that can be viewed at our office. Requests for specific accommmodations will be evaluated on a case-by-case basis. River Valley SRA reserves the right to determine if a program is appropriate.

EARLY DROP OFF & LATE PICK UP POLICY

Participants arriving more than 15 minutes prior to a program or special event will be charged a \$10 fee for every 15 minutes early. Please pick-up participants at the designated time. If parents/guardians are not on time for pick-up, a \$10 fee will be applied for every 15 minutes late.

RIVER VALLEY SPECIAL RECREATION FOUNDATION

MISSION STATEMENT
