ALL SAINTS SUNDAY, November 4, 9 & 10:30 AM

Each year on the Sunday after All Saints Day (Nov. 1), we take time in worship to give God thanks for the lives of those who have passed from life to Life, who have impacted our lives and our church in meaningful ways.

Sunday, Nov. 4th is the day this year when we will celebrate:

- The lives of four special people who have served Florence Christian Church faithfully. Their names are memorialized on the chapel wall of remembrance;
- We will also give thanks for new families added to our Legacy Builders group. These are individuals who have remembered Florence Christian Church in their end of life planning…a gift that will give forever to the mission and ministry of Florence Christian Church;
- Our history as well as our future. Rev. Don Nunnley, pastor of Florence Christian Church from 1956-1967, will be with us to share remembrances and thanksgivings for this amazing congregation which has been a “servant church” to our community for 187 years.

Come and join us as we give God thanks for the shelter of those faithful souls who have gone before us…and may we be inspired to live the call to servanthood as well!

Let’s fill our campus with praise and thanksgiving on Nov. 18 at 10 AM.

The conclusion of the Renew-Restore-Revive Capital Campaign will be celebrated with one combined worship service in which we will sing beloved hymns, hear stories of faith and hope told by ministry partners and friends of the church. Everyone will have an opportunity to share their story during the Turkey Supper on Nov. 10. Beth Silvers will be recording stories in the Youth Room in the Activity Center.

After worshipping together as one community we will share a pitch-in chili/soup meal in the Activity Center. Sign up to bring chili, soup, crackers/bread or desserts. Or sign up to help host the meal.

During lunch, we will be entertained by talented individuals in this congregation. Sign up to share your talent.

Daylight Savings Time ends on Nov. 4. Don’t forget to set your clocks back.
From the very beginnings of the movement, Disciples have founded institutions of higher learning, encouraging students in their intellectual pursuits. The Christian Church (Disciples of Christ) is still committed to higher education. Currently, more than 50,000 students attend our 14 Disciples-related colleges and universities or seven seminaries and divinity houses. And in the past twelve months, more than 12,000 students have graduated from these fine schools.

On Nov. 11 and 18, Disciples churches across the US and Canada will collect the Thanksgiving offering. Your gift to the Thanksgiving offering helps to support the work of our institutions of higher learning in many ways: financially supporting Disciples related schools, providing undergraduate scholarships and support for spiritual life offices, and providing scholarships and support for those pursuing theological education.

This November, please give generously to this year’s Thanksgiving offering. Your gifts make a world of difference as Disciples continue our legacy of supporting education and our institutions of higher learning.

During the luncheon on Sun., Nov. 18 you will have the chance to dazzle us all with your singing, comedy routine or instrumental selection. Sign up online or see Brian Wylie (briantwylie@gmail.com) or Melissa Stephens (mstephens@florencechristian.org) with any questions.
The Fall Reminds Us of Our Roots

In this month of November, I like to think of each of us as roots, reaching deep within our communities and families. While our earth goes to her long winter’s rest, we are making moves to tend to her, and to tend one another. When you prepare your meal of thankfulness for family and friends, or people who may not have family nearby who become family for the day, consider using your local farms over big-box grocers.

Violet and I shop farmers markets year round—and there is no better place to procure your Thanksgiving ingredients. Cold weather greens, cabbages, brussels sprouts, squashes, sweet potatoes, apples, pears, baked goods, breads and meats can be purchased directly from local farmers at winter markets. You can even purchase Thanksgiving heritage turkeys (so make note for next year, they go fast and there are limited numbers available). I asked Violet what she enjoys about the winter markets (besides them being indoors). “It always feels festive! Bring your reusable grocery bags, or a large basket to carry your goodies.” She also wondered if people realize they can get all their decorations for the Thanksgiving table at the market. Vibrant small gourds and Indian Corn, even nuts and apples. And, she adds, “Don’t forget to set your Indian corn out by the bird feeder for the squirrels after you are finished, and put the gourds in the compost pile for volunteers next year!”

The Covington Farmers Market goes indoors on Saturdays from 9-1 at the Braxton Brewery in Covington. It’s one of the best Winter markets going.

“All the episodes from my stories and novels are not about food only, but about meals. You can eat food by yourself. A meal, according to my understanding anyhow, is a communal event, bringing together family members, neighbors, even strangers. At its most ordinary, it involves hospitality, giving, receiving, and gratitude.” — Wendell Berry

Make someone’s Christmas one to remember by participating in the Giving Tree.

On Sunday, Nov. 11, our Giving Tree will be decorated with ornaments reflecting the needs of our children and seniors for the holidays. Please consider taking an ornament and shopping for the item. Then return the item to the church office with the ornament attached. It is important that the gift is returned with the ornament securely attached.

All gifts must be returned to the church office by Sunday, Dec. 2nd so that they can be delivered to the families in time for the holidays. Please do not wrap the gift, but you may return it in a Christmas gift bag.

Don’t feel like shopping? Gift cards or cash donations work just as well and will be much appreciated.

Thank you for supporting this ministry!

Welcome to November!! The weather has changed and a chill is in the air. Our Halloween celebrations at DZ were great for kids and adults! I hope you were able to make it out to the Church Trunk or Treat.

We at Discover Zone are preparing for Thanksgiving and working on our Christmas play, Cec. 7, 2018 at 6:15 PM. We have a fun evening planned for everyone and a special visitor is planning to attend for kids of all ages! We will have sign-up sheets available for anyone who would like to donate cookies. Donations are always appreciated.

I want to assure everyone Julie is staying in place here at Discover Zone. Her role is changing to be more involved with kids and program planning in our Adventure Zone and intergenerational ministries. As more financial and personnel things are moved off her plate, she will be able to work more with teachers on improving the instructional piece of the program.

Enrollment is holding steady and the program is operating with a waiting list in many classrooms. Thank all of you for your support.

Please include us in prayers for our entire ministry as we serve the families of Discover Zone!

Sincerely, Gerald Turner
Interim Executive Director

10 Early Signs and Symptoms of Alzheimer’s

Memory loss that disrupts daily life may be a symptom of Alzheimer’s or other dementia. Alzheimer’s is a brain disease that causes a slow decline in memory, thinking and reasoning skills. One of the most common signs of Alzheimer’s disease, especially in the early stage, is forgetting recently learned information, forgetting important dates or events, asking for the same information over and over, and increasingly needing to rely on memory aids (e.g., reminder notes or electronic devices) or family members.

Challenges in planning or solving problems or working with numbers. They may have trouble following a familiar recipe or keeping track of monthly bills. They may have difficulty concentrating and take much longer to do things than they did before.

Difficulty completing familiar tasks at home, at work or at leisure. Sometimes, people may have trouble driving to a familiar location, managing a budget at work or remembering the rules of a favorite game.

Confusion with time or place They may have trouble understanding something if it is not happening immediately. Sometimes they may forget where they are or how they got there.

Trouble understanding visual images and spatial relationships They may have difficulty reading, judging distance and determining color or contrast, which may cause problems with driving.

New problems with words in speaking or writing They may stop in the middle of a conversation and have no idea how to continue or they may repeat themselves. They may struggle with vocabulary, have problems finding the right word or call things by the wrong name (e.g., calling a “watch” a “hand-clock”).

Misplacing things and losing the ability to retrace steps. They may lose things and be unable to go back over their steps to find them again. Sometimes, they may accuse others of stealing.

Decreased or poor judgment For example, they may use poor judgment when dealing with money, giving large amounts to telemarketers. They may pay less attention to grooming or keeping themselves clean.

Withdrawal from work or social activities They may have trouble keeping up with a favorite sports team or remembering how to complete a favorite hobby. They also may avoid being social because of the changes they have experienced.

Changes in mood and personality They can become confused, suspicious, depressed, fearful or anxious. They may be easily upset at home, at work, with friends or in places where they are out of their comfort zone.

If you notice any of the 10 Warning Signs of Alzheimer’s in yourself or someone you know, don’t ignore them. Schedule an appointment with your doctor.

Parent Night Out
Sat., Nov. 17, 5 PM
Research tells us that the most important influence in a child’s faith is their family’s faith practices. Florence Christian supports parents and guardians raising children to guide children’s faith journeys with our monthly Parent Night Out program.

Here is how it works!

4:45 PM – Drop your child off for an evening of fun with other children. Children’s activities for all ages will correspond with the monthly theme. They will share a pizza dinner, play together, play games, do a craft and watch a movie. If your child has other dietary needs, please provide a dinner and snack.

5 PM – Attend a Learning Session with other parents and caretakers to incorporate a family faith practice into your family’s routine.

5:30 PM – Go! Use the gift of this time to do something that helps support your family. If you are interested in using the time as a way to connect with other parents, contact Pastor Diana for community opportunities!

9 PM – Pick your child up by 9 PM

Because childcare is involved, YOU MUST REGISTER by Tues., Nov. 13. Register online at florencechristian.org/PNO

Sunday worship is when all of us gather as the people of God to praise God, to connect with God and each other. At Florence Christian Church we encourage children to begin worship in the sanctuary with their families. After the music and opening prayer in a Child's Blessing, one of the Pastors and the congregation bless the children to continue their worship in developmentally appropriate environments. Special worship activities for children are also available during both worship services.

**Children Worship & Wonder,**
**Sundays, 9 AM Ages 4-8, 10:30 AM – Ages 4-6**
The Children Worship & Wonder worship experience is designed for younger children, influenced by Montessori ideas, and it creates a welcoming environment to grow in relationship with God through ritual and storytelling. Children leave the sanctuary after the children's blessing and are escorted to the Children's Worship Center in the atrium. Parents reunite with their children after the close of worship outside the Children's Worship Center in the atrium.

**NEW Following Jesus, Sundays at 10:30 AM, Ages 6-8**
The Following Jesus worship experience is similar in format to Worship & Wonder where a special and welcoming environment is created. Children hear the sacred stories of Jesus based on the Gospel of Mark. Children leave the sanctuary during the children's blessing and are escorted to the Chapel. Parents reunite with their children after the close of worship outside the Chapel.

**Kid’s Quest - Sundays, 9 AM and 10:30 AM for ages 9-13**
Kid’s Quest is a worship experience for older children. It incorporates the same scripture as in “Big Church” and provides children ways to interactively engage with the scripture lesson. Children leave the sanctuary during the children’s blessing and are escorted to the small conference room. After the conclusion of their activities, they are escorted back into the sanctuary to rejoin their families for communion.
