Note: If investing in anything other than Precious Metals or Digital Currency, reference our Institutional Fee Schedule

*Precious Metals storage fees are charged at account open and each January thereafter. Digital Currency storage fees are charged each month that digital currency is held.

** Digital currency purchase fees are charged based upon the total value of the purchase request and such fees will reduce the amount available to purchase the digital currency. Fees associated with third party servicers or providers, including liquidity providers, are in addition to those fees listed on this Fee Schedule.

Make annual fee payment with check, automatic deduction from account, or

The above fees are effective from January to January of any given calendar year, and are subject to change. Account maintenance fees are not prorated. Fee Schedule does not include brokerage commissions.
