Alex preaching last Sunday

Alex and his other students of Bishop Lutaaya Theological College

Dear Christ Church,

Greetings our dear beloved in the Mighty Name of our Lord and Saviour Jesus Christ whose Goodness and Mercy endure forever.

Please receive warm regards from Rhoda, Shalom and Raphael. As a family we immensely love you and cherish your partnership with us. We were so pleased to receive \$2000 from you. Thank you very much. We are so appreciative.

I was privileged in the month of March to lead a training seminar for newly elected leaders from two parishes in the cathedral deanery. This was an opportunity for me to call on leaders to be deeply rooted in Christ and remind them of their stewardship role in God's kingdom.

I have also led an intensive module in Old Testament exegesis to Diploma students at Uganda Martyrs' Seminary. It has been quite a busy time for me because of the big size of the class. I nevertheless count it a privilege for partaking into the training of ministers in the Church in Uganda.
