

*January 3, 2021*

*Parents of grow 252 students,*

*We originally planned to begin a weekly meeting of grow 252 beginning January 6, 2021, but we have altered our plans and will NOT be meeting this week. Instead, we are resuming a modified grow 252 schedule and will meet only once a month on the third Wednesday from 6:30 – 7:45.*

*Here are some of our thoughts behind why we are modifying the schedule. We met as a staff and considered pros and cons to the changes.*

- 1. We value greatly the opportunity to partner with you as parents and invest in your children's spiritual welfare. This is not a responsibility we take lightly. Pausing our regular grow 252 meetings for last fall has left some gaps in our plan for what we desire to cover the six years that children are with us in the program. You are doing a great job to train and instruct your children in the ways of the Lord and we want to faithfully walk alongside you in this journey. We are seeking the balance to be faithful to you and your children and also not overwhelm you with too many activities at this time.*
- 2. We have been blessed and protected from major outbreaks of the virus at Grand for which we praise God and recognize His sovereign protection. At the same time, we recognize that a new strain may arise and affect our gathering so we consider it prudent to not introduce too many weekly meetings to schedules at this time.*
- 3. It is not our desire to add to the stress level of parents by crowding schedules with meetings on a consistent basis. Some of our parents have begun homeschooling this year and added new routines to their week. Most parents we spoke with were happy to not add another activity to that routine. On the other hand, most of the kids were eager to start again!*
- 4. Winter is a difficult time to introduce a new weekly routine. Recognizing this, we thought it might be better to begin once a month meetings. This allows us to slowly introduce grow 252 again and hopefully prepare us for a "normal" schedule in the fall of 2021.*
- 4. We had scheduled to begin a curriculum emphasizing the Beatitudes. It would have been difficult to double up lessons and complete this study in one semester instead of two. By waiting to begin this next fall, we will be able to cover this emphasis with greater clarity.*
- 5. We have discovered a curriculum called Faith Over Fear that can be completed in 5 sessions and offers timely teaching to the children.*

*God has raised up a staff that is eager and ready to begin on January 20<sup>th</sup>. We will meet from 6:30 – 7:45 at Grand. Below is the schedule and explanation of the new semester.*
