Mission:

The Garage Works Mission is to provide underserved students from area schools/home schools with Antique Auto Restoration Skills, Basic Shop Skills, Fundamentals of Automotive Maintenance, Team Work and Employability Skills.

Our students are the most important element of our program. In all decision making, and leadership choices;

"It's all about the students."

Mentors:

Mentors are first and foremost, teachers and provide good examples for students.

Garage Works Mentors provide supervision, mentoring and automotive skill training as a leaders, project manager, and project assistant.

A big part of mentoring is the development of excellent friendship based, working relationships with the students.

Ultimately having a trusting, supportive and nurturing mentor staff, always serves our mission of making the experience "all about the students." Please indicate with a check mark if you are applying to be a "Lead Mentor" or an "Assistant Mentor" and what area/s you are most interested in;

_____ Lead Mentor:

A Mentor who provides team leadership   focused on one particular area within the over-all Garage Works. Considered to be highly skilled with many years of experience in a given area. A minimum of two Lead Mentors working together is needed in each area to provide continuity of training if one is absent.

Assistant Mentor:

A Mentor who serves under the Lead Mentors as an assistant in each area. Usually considered to have a general knowledge of one or more areas. Each area may have a number of Assistant Mentors. If the Lead Mentors cannot be in attendance, one of the Assistant Mentors will provide coverage.

Areas:

___ Paint/ Body Team   ___ Engine/Trans Team   ___ Motorcycle Team

___ Chassis /Frame Team   ___Welding Team   ___ Basic Shop Skills

___ Automotive Maintenance   ___ Work Ethics and Employability Skills

Continuity of training is essential to the success of the students and the program. If you are accepted into the program you are expected to be in attendance during scheduled class times unless prior arrangements are made with the Gilmore Garage Works Program Manager. Classes are held on Tuesday and Thursday evenings from 4-7:00 pm.
