Whiteboards and Tackboards

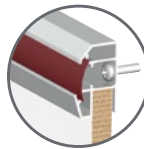

Your World, Your Color.

DecoAurora is offered in an array of twelve different colorful inserts to match your décor. The four multi-faceted corner connectors, aluminum framing, and color insert strips gracefully come together for a complementary look. The $\frac{3}{4}$ " wide thermoplastic PVC inserts not only add a splash of color, but also serve to conceal the wall mounting hardware, leaving no exposed fasteners. DecoAurora frame is available with either a magnetic porcelain whiteboard or a tackable gray vinyl surface.
